

Suggested Donations

This is a basic list of suggested items. Just because we do not list it does not mean it would not make a great learning tool! We are particularly interested in items to be reused such as packing peanuts, dowel rods, and foam pieces. However, new items are also appreciated.

Types of Materials Needed

- non-traditional learning tools
- production overruns
- interestingly shaped trims
- obsolete inventory/logo items
- factory seconds or rejects
- clean, colorful punch outs
- packing products

Office Products
