

Florida Water Star Irrigation Offset Rebate Application

Funds are distributed on a first come basis to applicants that have met all program criteria. The rebate is for \$700 for each property that obtains Florida Water Star (FWS) certification. Proof of certification is required. Rebates will be received as a check from Alachua County, which requires submission of a completed W-9 form, as the rebate is taxable income. Call 352-264-6800 with questions.

1. Applicant Name (must match name on W9 form): _____

Email Address: _____ Phone Number: _____

2. Business Name: _____

3. Business Mailing Address (must match W9 form):

4. Property Type: Single Family Residential Commercial Multifamily

5. Property Street Address: _____

Property City: _____ Zip Code: _____

6. Name of FWS Certifier: _____

7. By checking this box, I verify that I have obtained Florida Water Star Certification and have met all applicable permit conditions (include a copy of FWS certification letter with application).

a. New irrigation systems in Alachua County must go through an approval process. Fees are waived for FWS properties, but they must be still entered into the Alachua County irrigation portal.

8. By checking this box, I verify that the property has permanent landscape irrigation. While Alachua County does not promote irrigation, these funds were designated to offset outdoor water use from irrigation.

Please submit this form, proof of FWS Certification, and a completed W-9 form to:

Alachua County Environmental Protection Department by:
Mail: 408 W. University Ave, Suite 106, Gainesville, FL 32601 or
Fax: 352-264-6852 or Email: Sgreco@AlachuaCounty.us

Staff Use Only: Date Received: _____ Amount rebated: _____ Verified by: _____
