WATCH

County Commission meetings are broadcast live on Cox Cable Channel 12, Facebook, and our website. Meetings are rebroadcast multiple times on Channel 12. The County also produces other original programming like the award-winning Alachua County Talks, special feature programming, the County news Bulletin Board, and more. Check the Channel 12 schedule at www.alachuacounty.us.

WEBSITE

The County website provides information about County programs, services, employment opportunities, and much more. It has information on the meetings and activities of the County Commission as well as featured news stories, spotlights, video archive for past meetings and special programming, and contact information. The "How Can We Help You" section provides links to frequently asked questions and requested services.
