

# County Commission Submitted Charter Amendments

## Question 5. Relationship between County and Municipal Ordinances for Protection of Certain Natural Resources

Shall the Alachua County Home Rule Charter Section 1.4 be amended to authorize countywide protection of certain natural resources by establishing that the more protective of County or Municipal ordinances for such purpose shall prevail to the extent of any conflict and be enforceable countywide?

---

## Question 6. Identification and Elimination of Racial and Gender Bias in Alachua County Policies

Shall the Board of County Commissioners annually examine policies for all County operations and endeavor to eliminate all elements of racial and gender bias in both the design and delivery of County programs and services?
