

Alachua County Fair Housing Ordinance

Chapter 111 of the Alachua County Code prohibits discrimination in housing based on:

- race •color •national origin •religion •sex •marital status
- age •disability •sexual orientation •gender identity or expression •familial status •veteran or service member status
- lawful source of income •citizenship status •being the victim of dating violence, domestic violence, or stalking

If you believe that you have been discriminated against based on your status as a member of a protected class in a decision related to housing, contact:
