Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Administrative Services	Administration	N/A	Provides leadership, administrative, managerial, and fiscal support to all divisions to produce more effective services and to maintain the department's fiscal integrity and accountability.	3.2	N/A	N/A	N/A	N/A	N/A	Meets Board Level	100% general fund	Each Division would have to operate independently as a department and report directly to the County Manager or his designee. There would be a loss of consistency and continuity in the administrative process, which would result in each division taking on the responsibility of budget development/monitoring, payroll, accounts payables and other administrative duties. This would also increase the number of reports to the County Manager which would be detrimental to effective and efficient productivity.
Administrative Services	Administration	Inmate Medical	Provides monitoring of the inmate medical care being charged to the County, oversight of the contact with Corizon Health, Inc. being a Third Party Administrator and ensures other methods of payment are exhausted prior to the County becoming responsible for payment.	AT	State	F.S. 901.35 Financial Responsibility for Medical Expenses, F.S. 951 County and Municipal Prisoners and F.S. 409 Social and Economical Assistance	Mandatory	Compliance with F.S. 901.35 Financial Responsibility for Medical Expenses	Meets Mandate Level	Meets Board Level	100% general fund	Failure to monitor the vendor contract, verify contracted payment rates and evaluate inmate medical charges and reimbursement will cause the County to incur elevated inmate medical cost.

Administrative Services	Equal Opportunity	Internal: Compliance with Equal Employment Opportunity Laws	Investigate employee complaints of harassment or discrimination; provide guidance to management on equal opportunity issues; conduct targeted recruitment efforts to increase the number of applications from demographic groups under-represented in the County's workforce, as identified by the current Alachua County Equal Employment Opportunity Plan; monitor the recruitment and selection process and other formal employee actions for compliance with federal and state equal opportunity laws; conduct equal opportunity training for management and employees; prepare and submit federal workforce reports as required. Assist in responding to discrimination charges filed with external agencies against the County.	2.25	Federal; State; Local	Title VII of the 1964 Civil Rights Act; Title I of the Americans with Disabilities Act; FI Statute Chapter 760; Alachua County Equal Employment Opportunity Plan, as approved by the Department of Justice; BOCC adopted Equal Opportunity Handbook; Chapter 4 of the BOCC Employee Policies.	Mandatory	Compliance with Title VII of the 1964 Civil Rights Act; Title I of the Americans with Disabilities Act; Alachua County Equal Employment Opportunity Plan (as approved by DOJ); BOCC Equal Opportunity Handbook and Employee Policies. No minimum staff or resource requirements identified.	Meets Mandate Level	Meets Board Level	100% general fund	The County would not be in compliance with federal and state Equal Employment Opportunity Laws and Regulations governing discrimination and harassment in the workplace, and would not have an enforcement mechanism in place to promptly investigate complaints. These are important components of an employer's affirmative defense against discrimination and harassment complaints and could result in more successful lawsuits against the County without these processes in place.
Administrative Services	Equal Opportunity	Internal: Compliance with disability accessibility laws and federal regulations governing the programs and services of public entities.	Ensure that County employment, programs and services are accessible to persons with disabilities. Coordinate the activities of the Citizens Disability Advisory Committee and conduct public education and outreach events. Ensure non-discrimination in the provision of County programs, services based on protected status such as race, age, national origin. The EO Manager serves as the County's designated ADA Coordinator as required by Title II of the ADA; and as the Title VI Coordinator.	1	Federal	Title II of the 1990 Americans with Disabilities Act (state and local governments, Section 504 of the 1973 Rehabilitation Act; Title VI of the 1964 Civil Rights Act and BOCC adopted Equal Opportunity Handbook.	Mandatory	Compliance with federal laws governing accessibility of programs, services and facilities of public entities. Minimum of 1 staff person required, a designated ADA Coordinator, under Title II of the ADA. Compliance with federal law requiring entities receiving federal funds to ensure non-discrimination in programs and services. No minimum staff required under Title VI of the Civil Rights Act, but various federal grants require the recipient to designate a Title VI Coordinator.	Meets Mandate Level	Meets Board Level	100% general fund	The County would not be in compliance with disability accessibility laws and regulations governing public entities. Failure to do so could be a per se violation of Title II of the ADA. The County would also not be in compliance with Title VI of the 1964 Civil Rights Act. Not having these functions in place could result in successful lawsuits against the County as well as negatively impact our ability to comply with federal grant requirements.
Administrative Services	Equal Opportunity	Human Rights Ordinance	Administer the County's Human Rights Ordinance which prohibits discrimination in employment, housing and public accommodations. Receive and investigate/resolve complaints; conduct public education and outreach efforts. Serve as liaison to the Fair Housing/Human Rights Advisory Board	1	Local	Ch. 111 of County Code	Mandatory	Compliance with Ch. 111 of County Code. Minimum of 1 staff person required (Equal Opportunity Director). No minimum resource requirements identified.	Meets Mandate Level	Meets Board Level	100% general fund	Rescinding the Human Rights Ordinance would remove the County's protection of citizens who are victims of discrimination and not provide an avenue to seek redress on the local level. This could raise the potential for more overt acts of discrimination in the community and negatively impact housing-related federal grants which typically require the recipient to have a Fair Housing ordinance and a designated Fair Housing Coordinator.

Administrative Services	Facilities Management	Building, Maintenance & Repairs	Provides repairs and maintenance to approximately 1.3m square feet of buildings; including Fire Alarms and Suppression Systems including Detectors, Notifiers, Controllers, Sprinkler Heads, Valves, Pumps, Panels, Back Flow Devices; HVAC services, Plumbing, Electrical, Carpentry, Grounds Maintenance and Mail Services.	30.3	State	Section 125.01 (1) C. Florida Statute; Article V of the State of Florida Constitution, Fire Code and Life Safety Standards FSS Ch. 633; FL Administrative Code Ch. 69A; FL Fire Prevention Code Rule Ch. 69A-60,	Mandatory	Compliance with Florida Statute, the Florida Constitution, Florida Building, Fire and Life Safety Standards	Meets Mandate Level	Meets Board Level	100% general fund	Without adequate maintenance being performed as required per maintenance and safety manuals, County buildings and grounds could not be maintained at acceptable levels posing a risk to the general public. Failure to maintain buildings within fire standards and codes will result in safety hazards to the general public. In accordance with the National Fire Protection Association 1, Uniform Fire Code, chapter 633, Florida Statutes, page 633-5, Fire Prevention and Control, the State Fire Marshal, paragraph (2) (a) (b) requires that the installation and maintenance of fire alarms systems and fire protection systems, including fire suppression systems, fire extinguishing equipment, and fire sprinkler systems are inspected and corrected at County expense.
Administrative Services	Facilities Management	Building, Maintenance & Repairs	Repair and maintenance of elevators in County buildings	AT	State	Uniform Fire Safety Standards for Elevators: 69-A-47	Mandatory	Compliance with Uniform Fire Safety Standards for Elevator: 69-A-47	Meets Mandate Level	Meets Board Level	100% general fund	Not funding this program would result in the County not being able to maintain and operate elevators in a safe manner.
Administrative Services	Facilities Management	Building, Maintenance & Repairs	Maintaining fire safety codes in County buildings	AT	State	Uniform Fire Safety Standards Facilities 69-A-54.	Mandatory	Compliance with Florida Building Code, Florida Fire Prevention Code 907.14	Meets Mandate Level	Meets Board Level	100% general fund	Not funding this program would result in the County failing to meet Fire Code and Safety standards in the County buildings.
Administrative Services	Facilities Management	Capital Project & New Construction	Manage the renovation, modification, alteration of existing buildings and construction of new buildings	3	N/A	Section 125.01 (1) C. Florida Statute; Article V of the State of Florida Constitution, Fire Code and Life Safety Standards FSS Ch. 633; FL Administrative Code Ch. 69A; FL Fire Prevention Code Rule Ch. 69A-60,	Discretionary	N/A	N/A	Meets Board Level	General fund, MSTU, Impact Fees, Bonds, Solid Waste Fund, Fleet Maintenance Fund Court Cost Surcharges (percentages vary with each project)	Failure to fund would result in the possibility of the projects not being built on time and within budget, and would be detrimental to the Owners/County Commissioners, as the lack of staff would diminish the Board's ability to effectively control and manage the sequencing and cost of the County's Facilities Capital Improvement Program. By keeping the existing capital process in place, the Commission maintains full control over the procurement, planning, budgeting, designing, programming, scheduling, renovating and constructing of new buildings while providing effective project management. Additional risks such as not having Owner's representatives on the job would result in contract construction disputes, increases in change orders and request for information (RFI's), project delays, cost overruns; the Owner's representatives serves as the linkage between the architects, consultants engineers, user groups and the construction manager.

Administrative Services	Human Resources	Policy Interpretation and Development	Guidance is provided to supervisors and employees who question the meaning, intent, or application of a policy or union contract article. Creating and revising policies is essential to ensure that the County has adequate and innovative mechanisms in place to deal with employees. As cultures and technologies change, many policies and practices must change to keep pace. Revision of policies and procedures ensures that the County governs employees in a manner consistent with other like agencies.	1.5	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% general fund	Without guidance to supervisors and a consistent interpretation of policies and articles across the County, employees will be displeased with management and morale will suffer. The County will be exposed to heightened liability. By not keeping policies and procedures up to date and inline with industry standards to address employee governance and issues, employees and supervisors will grow frustrated and become disillusioned with the organization and leave County employment.
Administrative Services	Human Resources	Record Keeping	HR Maintains all employee personnel files in accordance with Florida Statutes and Federal guidelines	1	Federal; State	State - FSS Ch. 119, 286, HIPAA of 1996	Mandatory	Compliance with Florida Statutes , Chapter 119 (Public Records), no minimum staff or resource requirements identified.	Meets Mandate Level	Meets Board Level	100% general fund	Laws govern the release, destruction, and confidentiality of parts or all of employee personnel and medical records. Without centralized storage and dedicated personnel to manage the storage and release of information, important records may be lost or incorrectly released.
Administrative Services	Human Resources	Employee and Labor Relations	Assist supervisors in resolving employee and organizational issues and concerns. Promote effective communication with employees. Negotiate collective bargaining agreements. Coordinate and conduct grievance and administrative hearings. Coordinate and staff closed executive sessions. Conduct training of employees and supervisors.	2	State	FSS Ch. 447 and Civil Rights Act of 1964	Mandatory	Compliance with Florida Statutes, Chapter 447 (Collective Bargaining), no minimum staff or resource requirements identified.	Meets Mandate Level	Meets Board Level	100% general fund	No centralized, consistent, impartial guidance for departmental supervisors. Without guidance and training, supervisors may make errors in dealing with Labor Unions and open the County to unfair labor practice charges. Inconsistent handling of employee discipline will expose the County to heightened liability in employment matters. With no centralized body providing guidance, there will not be consistent treatment of employees across departments.
Administrative Services	Human Resources	Classification & Pay	Conduct position audits to ensure consistent and fair assignment of classifications. Conduct comprehensive salary surveys to recommend equitable and competitive salaries and benefits.	1	Federal	Civil Rights Act of 1964, Fair Labor Standards Act	Mandatory	Compliance with Federal 1964 Civil Rights Act and Federal Fair Labor Standards Act, no minimum staff or resource requirements identified.	Meets Mandate Level	Meets Board Level	100% general fund	Without a centralized, consistent and impartial system to review classifications, positions and the associated salary ranges and pay, it will be difficult to defend compensation practices. Each department would be responsible for ensuring minimum wage, overtime pay and equitable salaries are assigned to all employees. There would be difficulty in ensuring consistent application of benefits.

# Administrative Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Administrative Services	Human Resources	Recruitment	Provide recruitment services for all County departments by placing ads, listing positions on the internet, staffing job fairs, screening applications, communicating with applicants, coordinating pre-employment tests, verifying degrees, conducting new employee sign-ups and orientation, ensure that hiring process was fair and open.	1.5	N/A	Civil Rights Act of 1964, FSS Ch. 295.07	Mandatory	Compliance with 1964 Civil Rights Act and Florida Statutes, Chapter 295 (Veterans' Preference), no minimum staff or resource requirements identified.	Meets Mandate Level	Meets Board Level	100% general fund	Will not have a centralized recruitment process. Will not have an independent party reviewing the hiring process to ensure that all hiring requirements have been met and that applicants were afforded fair and equitable treatment. It is also necessary to ensure that applicants are afforded Veterans' Preference under the law. Failure to follow these laws exposes the County to increased liability and potential litigation.
Administrative Services	Human Resources	Employee Recognition	Seek innovative and creative ways to fully realize and utilize employee potential, while increasing employee morale and retention.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% general fund	By not developing ways to recognize, encourage, and grow employees, they will become disillusioned, disgruntled, and unproductive. Many will leave employment with the County to seek more satisfying and rewarding employment elsewhere. Finding ways to reward and challenge employees is essential in attracting and maintaining a productive and content workforce.
Administrative Services	Human Resources	Administration	The County is required to ensure that all employees who meet the eligibility requirements are offered and afforded their rights under the Family Medical Leave Act. This involves notifying employees of their rights, requesting documentation from medical providers supporting their request to utilize Family Medical Leave(FML); verifying/confirming information from medical providers to determine if the employee will receive FML, and monitoring and tracking the use of that leave.	2	Federal	The Family/Medical Leave Act of 1993	Mandatory	Compliance with the Family/Medical Leave Act of 1993	Meets Mandate Level	Meets Board Level	100% general fund	Will not have a centralized, regulatory entity to ensure that all employees are afforded their rights under this federal act. Will place the burden on communicating with medical providers on the county's legal staff, or will result in increased cost to compensate the County's medical providers to initiate those communications. Failure to follow this Federal Act exposes the County to increased liability and potential costly litigation.

Administrative Services	Organizational Training And Development	Employee Skills Development	The purpose of the Organizational Development and Training Office is to develop a quality workforce and equip new and existing County employees with the tools, skills, knowledge and job aids/resources they need to do their jobs efficiently, responsively and effectively.	1.5	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% general fund	Cutting or reducing the level and quality of employee training conducted at Alachua County impacts whether or not the organization will be able to retain the high quality workforce that is one of the keys to the County's success in service and program delivery.
Administrative Services	Organizational Training And Development	Compliance Training	Assists with mandatory training related to FLSA, FMLA and HIPAA to new and current employees.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% general fund	Without instruction to employees, the County would be subject to a high risk of liability in the areas of FMLA, FLSA and HIPAA violation.
Administrative Services	Organizational Training And Development	Organizational Development/ Consulting	Provide consulting services to departments, work groups, teams and individual employees related to skills analysis and identification of training to close skills gaps. Administer and interpret MBTI and other assessments targeted to improving team and work group performance.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% general fund	The ability to recruit, develop, motivate and retain good performers is key to sustaining an effective and responsive government organization dedicated to meeting the needs of its citizens. When traditional training is not the answer to filling employee or team performance gaps, or when work teams or units are not performing well due to conflict, little or no collaboration, or just lack of skill or knowledge, Human Performance Improvement (HPI) assessment and intervention is essential to identify the gap and the best means to resolve it. Eliminating HPI within the organization makes identification of performance gaps and the best, most efficient means to address them more difficult, timely and costly.

# Administrative Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Administrative Services	Organizational Training And Development	Supervisor/Manager Development Training	Provide new and existing managers and supervisors with the tools, skills, knowledge and job aids/resources they need in order to effectively lead their work group in the most cost-efficient, highly-productive manner, and with a focus on developing and grooming staff to advance within the County structure.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% general fund	Poor performance by a supervisor or manager affects productivity, efficiency, quality, turnover and much more. It is important for supervisors not only to have subject matter expertise (SME); they must also possess the knowledge and skills to effectively and efficiently manage employees. Lack of training in supervisory skills and best management practices ultimately affects how well citizen programs and services are executed.

# Community Support Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Community Support Services	Administration	N/A	Provides organizational leadership to the department in the areas of budget development and management, performance management, human resource management and program development. Directs and monitors the delivery of health and human services to the citizens of Alachua County, as prescribed in the Health and Human Services Master Plan and BoCC's Guiding Vision. Serves as liaison to the Public Health Department.	3	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Elimination of the administrative entity would require division directors to report to another executive level position. Consequently, direct service staff would have to perform administrative functions, thereby decreasing the effectiveness, efficiency, and the number of citizens served.
Community Support Services	Administration	Fiscal	Provide fiscal technical support to the Department and its Divisions; including, purchasing, payroll, budget development and monitoring. Accounts receivables and payables and grants management and inventory control. Office supply, interdepartmental billings, transfers, amendments and charges, office supplies and service contracts.	3.5	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Elimination of the Fiscal component would result in each division being responsible for the following: Budget, Purchasing, Payroll, Accounts Payables and Receivables and Contract/Grants Management. Consequently, direct service staff would have to perform fiscal component functions, thereby decreasing the effectiveness, efficiency, and the number of citizens served.
Community Support Services	Administration	Office Support	Provide administrative support, data management, information technology, human resources management to Department and its divisions. Serve as liaison to County advisory boards and improve customer services.	5	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Elimination of Office Support would result in each division being responsible for the following: Customer Service, HR and Data Management, Consequently direct service staff would have to perform office support functions, thereby decreasing the effectiveness, efficiency, and the number of citizens served.
Community Support Services	Administration	Medicaid	State mandated payment for inpatient hospital and nursing home care for residents of Alachua County who are Medicaid recipients.	1.5	State	FS Chapter 409	Mandatory	Financial responsibility for inpatient hospitalization in excess of 10 days but no more than 45 days at the negotiated Medicaid per diem daily rate for Alachua County Medicaid Recipients. Also monthly payment of \$55.00 per month for nursing home care for all eligible Alachua County Medicaid recipients.	Meets Mandate Level	Meets Board Level	100% General Fund	Elimination of Medicaid Administration would result in Medicaid costs increasing 100% due to lack of staffing to review and monitor monthly invoicing by the State. The other alternative would be to eliminate funding completely which would result in the County not meeting its mandate to assist with cost of inpatient hospitalization and nursing home care, and would also result in the County losing cigarette tax revenue.
Community Support Services	Administration	Medical Examiner	Conducts autopsies, investigates cause of death and approves all cremations.	AT	State	FS Chapter 406	Mandatory	Per FS Chapter 406.08(1) "Fees, salaries, and expenses may be paid from the general funds or any other funds under the control of the board of county commissioners. The district medical examiner shall submit an annual budget to the board of county commissioners."	Meets Mandate Level	Meets Board Level	100% General Fund	If this funding for the State mandate was eliminated, it would result in no autopsies, no crime scene investigations and no approvals for cremations. Additionally, the County would be in violation of state law.
Community Support Services	Administration	MTPO/MVT	Provides for payment of transportation for disadvantaged citizens in the unincorporated area of Alachua County and participants in the Foster Grandparent Program and the Retired & Senior Volunteer Program.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	MSTU	Elimination of funding would result in limited access to transportation by for the Foster Grandparent and RSVP program volunteers. This funding supplements each of these grants. It would eliminate the funding and match money that pays for transportation disadvantaged (TD) rides in the unincorporated areas, likely resulting in an increase in the number of complaints to the Commission.

# Court Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Court Services	Administration	Administration	The Administration Division ensures that services are consistent with Board policy and provides leadership, administrative, managerial, clerical, and fiscal support to all divisions to produce more effective services and to maintain the Department's fiscal integrity and accountability. Develops and implements Department Strategic Plan.	3	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Each Division would have to operate independently without coordinated support and direction. Each Division would have to take on the additional responsibilities associated with budget development/monitoring, HR, payroll, and accounts payable processing, thus duplicating effort and decreasing overall productivity, accountability and consistency.
Court Services	Administration	Administration	Oversee and facilitate performance management; develop, submit and oversee budget and expenditures; oversee, monitor, advise and approve department HR actions; track and maintain fixed assets; oversee and maintain physical plant; liaison with other county departments and partner agencies; develop and administer department policies and procedures, manage and direct administrative and support staff.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	The Department would suffer from a lack of direction and focus on performance measurements. There would be a lack of coordinated effort on maintaining the facilities. The failure to have central control over policies, procedures, personnel actions and such could result in inequitable treatment of staff, decreased morale and lowered productivity.
Court Services	Administration	Aids and Assistance (Dori Slosberg Driver's Ed; Legal Aid, and Juvenile Det. Center funding)	Monitor fee collections for special funds and ensure timely and accurate payments to requesting agencies. Adjust budgets for revenues and expenditures as required. Review supporting documentation provided by agencies to ensure accuracy.	AT	State	FSS 318.121 939.185 985.2155	Mandatory	Dori Slosberg Driver's Education Fund: Additional fines added to traffic violations are collected. The total amount of fines collected is available for invoicing to the School Board of Alachua County for direct costs of providing driver's education training. No FTE or level of service requirement. Legal Aid: All fines collected are remitted to Three Rivers Legal Aid. Level of funding requirement is \$71,964 annually. If fines do not total that amount, the shortfall must be covered through General Fund. General Fund match needed is minimal, generally less than \$10,000, often nothing. Juvenile Detention Center: Total statewide costs of funding all detention centers are passed onto the counties based on a formula which determines the county of residence for each youth detained, total number of youth detained, total number of pre-dispositional days, each county's number of pre-dispositional service days (PDSD) is divided by the total number of PDSD for all counties to obtain the percent of usage per county. Total costs in the Shared County/State Detention Trust Fund are multiplied by each county's percentage to obtain the annual cost for each county. Monthly billings are based on prior year actual usage and the appropriated budget for the fiscal year. At the end of the State fiscal year a true-up is done and additional costs may be billed to each county or credited to a county based on actual operating costs and service days.	Meets Mandate Level	Meets Board Level	Dori Slosberg: Fully funded through fines collected. Legal Aid primarily funded through fines collected, minor funding may be required from General Fund. Juvenile Detention Center 100% General fund.	County would be out of compliance with State Statutes and County Ordinance.
Court Services	Administration	Information Technology	Maintain and provide dedicated support for the Department information system and the FCIC/NCIC equipment and maintain connectivity with various law enforcement agencies. Ensure security, proper operation of equipment, and availability of necessary information for the program staff. Support for these department specific technology needs are not provided by the County IT Department.	2	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Divisions would lack the equipment and information needed to perform their daily tasks. Information would be unavailable to Judges at First Appearance each day. Lack of accurate information could impact the release of defendants, and impair public safety. Need to check several individual data bases for needed information would adversely impact staff productivity.

Court Services	Administration	Records, Intake and Reception	Greet and direct clients and visitors, answer and transfer calls, input client data into department information system, run and disseminate criminal histories for court 7 days per week, sort and distribute mail.	3.5	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	In fiscal year 2010-2011, approximately 2,400 clients report in monthly and must be greeted and directed to the appropriate staff; 2,229 calls come in to the reception desk that must be answered and transferred to various staff; 412 client intakes are conducted monthly, 292 pieces of mail posted and taken to post office, 7,242 criminal histories are run. Without staff to perform these duties, the responsibility would fall to more highly paid professional staff which would reduce efficiency and increase cost of providing services.
Court Services	Administration	Records, Intake and Reception	Input and proof payroll, create and process personnel forms, monitor FCIC/NCIC security.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Without staff to perform these duties, the responsibility would fall to more highly paid professional staff which would reduce efficiency and increase cost of providing services.
Court Services	Administration	Fiscal/Collections	Responsible for purchasing, budget entry, accounts payable, accounts receivable, travel, vehicle maintenance, fee collections, report generation, assistance with payroll input and other fiscal related duties.	2	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Each Division would require additional staff to take on the responsibilities associated with budget development/monitoring, fee collections and transmittals, accounts payable processing, etc. thus duplicating effort and decreasing overall productivity, accountability and consistency.
Court Services	Administration	Jail Population Management, Data Analysis, and Reporting	The Senior Programmer Analyst provides historical and current data reporting on the population at the Alachua County Jail and clients ordered to Court Services. Reports enhance decision-making capabilities of system stakeholders and to improve the effectiveness of service delivery. Routine jail population reports assist in identifying persons in custody, which reduces jail length of stay. Ad hoc reports assist system stakeholders in identifying the need for policy changes, and measuring the effectiveness of jail alternative programs. Efforts are coordinated between data system administrators to improve the accuracy of data entered by system users. The Senior Programmer Analyst researches system issues, proposes solutions and coordinates the problem solving process to ensure that standards and requirements are met. They also study procedures, design, and document modifications to train system users which enhance our ability to effectively monitor and report on clients.	1	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	N/A	The elimination of this position would result in fewer or no reports being produced, resulting in increases in length of stay for some incarcerated persons in the Alachua County jail. The ability to successfully apply for various types of funding for diversion and jail alternative programs would also be significantly hampered. System stakeholders would also lose the ability to monitor the effectiveness of jail population management policies and program effectiveness. Court Services program staff would lose significant ability to measure and manage improvements to program effectiveness. The quality of data would likely be reduced further hindering evaluation efforts.
Court Services	Administration	Criminal Justice, Mental Health, and Substance Abuse Reinvestment Expansion Grant (CJMHSAG)	The CJMHSAG is a three (3) year state grant from the Department of Children and Families which along with a local cash match from the general fund, provides resources to address the substance abuse and mental health treatment needs of those adults involved in the criminal justice system. The CJMHSAG is "blended" with the Mental Illness Work Group (MIWG) funding. A team of forensic professionals and peer specialists provide case management and treatment services focused on a reduction in jail stays and State Hospital commitments. Alachua County uses these funds to contract with Meridian Behavioral Healthcare for all services.	N/A	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	State of Florida Department of Children and Families (\$250,000), Alachua County General Fund (CJMHSAG Match \$166,500), Mental Illness Workgroup funding from the General Fund (\$370,000)	The CJMHSAG and MIWG program effectively reduces criminal behaviors resulting in fewer arrests and the amount of time spent in jail as measured one year after program completion. According to the FY 2011-12 CJMHSAG Annual Work Plan and Accomplishments Report, on average 53% of those served do not re-offend, 88% had a reduced number of charges, resulting in a 59% decline in days spent in jail. Reduction or elimination of these funds will reduce or eliminate program services and outcomes accordingly.
Court Services	Administration	Mental Illness Work Group (MIWG)	The Mental Illness Work Group has been "blended" into the CJMHSAG described above. This blending was planned and assures a more seamless array of services for program participants.	N/A	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	Alachua County General Fund (\$370,000)	see above description for CJMHSAG

Budget Total for Division									\$	3,351,536	\$	2,375,072	
Court Services	Clinical Programs	Drug Court	Community supervision of drug offenders with the provision of judicial oversight, substance abuse and mental health treatment, case management, life skills, GED, and reinstatement of drivers license. Participants must be engaged in ongoing substance abuse treatment for a minimum of one year and prove to be drug free through urinalysis testing for at least six months prior to graduation. Participants must be gainfully employed, in an accredited educational or vocational program, or be classified as disabled for at least six months prior to graduation and have their drivers license reinstated by the time of graduation. Successful completion of the Diversion Track results in dismissal of the charges by the State Attorney and no felony criminal history. Successful completion of the Post-Plea Track results in the disposal of charges as established by the terms of the plea agreement. Both tracks result in reduced jail time.	5.34	Local	Judicial Administrative Order 4.012 and Administrative Order 4.953 FSS 397.344	Mandatory	The Administrative Orders do not dictate service levels.	Meets Mandate Level	Meets Board Level	100% General Fund with revenue from client fees	Many offenders supervised by the program will remain in jail adding to jail overcrowding by approximately 25 additional inmates per day. Up to 120 Defendants' cases will have to be moved back to the felony criminal dockets adding work to the Judiciary, State Attorney, Public Defender and Clerk of the Court. Revenue in the amount of approximately \$40,000 will be lost annually. Defendants who have their charges dropped upon completion of the Diversion component of the Program may now have a felony criminal conviction on their record. Loss of the Post Plea component will result in additional individuals charged with Violation of Probation (VOP) cases spending more time in jail. Loss of access to treatment will result in continual recidivism with ongoing criminal justice, medical and social costs to the community for years to come. Individuals incarcerated in lieu of being in the Program will run the risk of losing their jobs and having to turn to other social service agencies for assistance.	
Court Services	Clinical Programs	Metamorphosis	Long-term (up to 12 months) residential treatment program for adult, chronic substance dependent clients or clients with co-occurring (both mental health and substance abuse) disorders. Metamorphosis provides intense therapy using the evidence based practice of Cognitive Behavioral Therapy. Substance dependence and mental health treatment planning, relapse prevention planning, psycho-educational activities, life skills planning, and an evidence based anger management curriculum. Participants are required to secure employment prior to completing the program. The program also has 2 transitional housing apartments that allow clients to save money and secure safe housing as they transition back into the community. The transitional apartments also reduce wait list times in the main facility. Following a successful discharge from treatment, an intensive Aftercare program is available. Metamorphosis is licensed by the Department of Children and Families.	9.58	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	General Fund, revenue from client fees, contract with Department of Children and Families.	Closing the Program would result in the loss of the only low cost, long term residential treatment program in the area that serves individuals with both substance abuse and co-occurring disorders. Effective treatment requires a full continuum of care with residential being the highest level of care available. Persons who require long term residential treatment as a condition of release from jail, or criminal justice supervision, will not be able to obtain treatment they require and may remain in custody for a longer period of time. Individuals are more likely to re-offend if released without receiving treatment. On average, 71% or 15 of the programs clients per day have a criminal justice mandate for participation in residential treatment. Closure of the program could result in up to 100% of those clients returning to incarceration and continuing to reoffend upon release. We would also forfeit close to \$300,000 annually in DCF funding.	
Court Services	Clinical Programs	OPUS Outpatient Treatment	Provides therapy to clients with substance abuse, substance dependence, or co-occurring disorders(mental health/substance abuse) on an outpatient and Aftercare level. Serves clients that are involved in Drug Court, Day Reporting, Probation, or Pretrial. Opus provides the evidenced based practice of Cognitive Behavioral therapy, assists the clients in developing a relapse prevention plan, provides psycho-educational treatment, and provides individual treatment planning service. Opus also provides assessment for the court services supervision programs to determine what is the most appropriate level of care for each person. Opus is licensed by the Department of Children and Families. (Two of the 6.33 listed FTE's are temporary grant funded positions; however, we are looking at the possibility of re-purposing the funds for one counselor to purchase intensive out patient services for the clients served by the grant).	6.33	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	General fund and Department of Justice grant funds.	The program is funded through general fund dollars that were brought in-house after years of contracting for services under the Drug Court and Day Reporting Programs. Without access to daily treatment and close contact with the counselors providing the treatment, both the Drug Court and Day Reporting Programs would be unable to operate and approximately \$240,000 in federal grant funds would be forfeited.	

# Court Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Court Services	Clinical Programs	Social Security Benefits Coordination	The Coordinator of Benefits interviews newly admitted jail inmates who are receiving social security benefits and as appropriate notifies defense counsel if they are at risk of losing benefits from continued incarceration. The coordinator also assists people with obtaining a reinstatement of benefits upon jail release. Those individuals who are likely eligible for social security benefits and who will be returning to Alachua County are assisted with making initial applications and appeals to obtain social security benefits.	1	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	General fund.	Loss or disruption of social security benefits from continued jailing may cause the disabled/retired person to lose their housing, access to medical care, and medications upon release from jail. During 2010-2011 the Coordinator made 168 attorney notifications that people were at risk of losing benefits. Delays in obtaining a reinstatement of benefits may also result in the above mentioned issues. During FY 10 - 11 the Coordinator assisted 207 people with benefit reinstatement's and helped 36 people make new applications or appeal benefit denials. Reduced funding would result in fewer people being assisted with reinstatement's and new benefit applications. Loss of funding would result in no attorney notifications of people at risk of losing benefits.

Court Services	Pretrial	Investigations	In accordance with Florida Statutes, First Appearance Hearings are held 365 days per year. Each day, staff complete pretrial investigations by interviewing detainees and verify pertinent information with relatives, friends or employers. Staff review local, state and national criminal histories subsequently, providing a Pretrial Investigative Summary and assessments to the judiciary so that defendants can be released or detained in the least restrictive manner. During the First Appearance and other court events, staff recommend pretrial release or detention and special conditions of release while focusing on public safety. Also identified are defendants who qualify under the Jessica Lunsford Act and the Anti Murder Act for a subsequent judicial review hearing. Post First Appearance, Court Officers follow up on court ordered mental health evaluations, and other investigations or assessments as requested by the Court. Local and NCIC/FCIC criminal histories are an integral part of the investigation which are processed by a support staff position.	9.5	Local	Judicial Administrative Order FS 907.41;907.043, 903.47; Florida Rules of Criminal Procedure 1.130; ABA Standards 10-1.1 to 10-6.1	Mandatory	There is no mandated level of service.	N/A	Meets Board Level	100% General Fund	Pretrial Release Investigations are completed for First Appearance Hearings, 365 days a year. Pretrial Release completed over 10,500 investigations/assessments in FY 10/11. If this component were eliminated, Judges would not have adequate information to make informed release/detention decisions at First Appearance or any subsequent court events. Lower risk defendants and those with mental health issues and other special needs may languish in jail unnecessarily. Conversely, higher risk persons may be released therefore causing a risk to public safety. Persons who could be better managed with supervision in the community will remain incarcerated, unable to support themselves or their families. Fewer persons will be released, adding to jail overcrowding and increased expenses of jailing.
Court Services	Pretrial	Centralized Screening Team (CST)	— The Centralized Screening Team (CST) promotes the efficient use of jail bed space by assessing needs of detainees, working collaboratively with the Department of Jail, and community providers to analyze information to develop release or sentencing plans using community supervision as an alternative to jail. Defendants in custody with pending criminal cases in all divisions of Alachua Criminal Court who remain in custody for 96 hours after First Appearance or those with costly medical or mental health problems are identified. Upon developing a release plan, the CST will notify the Defense Attorney with the outcome of the screening/assessment with a recommendation for release as appropriate.	4	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level		The CST promotes the most efficient use of jail beds and reduces the pretrial detainee length of stay by assessing the needs of eligible defendants who remain in custody after First Appearance by developing release plans for full discharge from jail. The goal is to work in collaboration with key system stakeholders expedite release from custody to a community supervision program, Work Release or expedite case processing to reduce the jail population. Screenings are ordered by the judiciary at various entry points of the criminal justice system. The CST screened approximately 200 defendants monthly resulting in 85% of cases being released or expediting the processing of their case, resulting in a release.

# Court Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Court Services	Pretrial	Case Management	Pretrial Case Management provides the judiciary several customized levels of supervision for defendants as an alternative to incarceration at the county jail. Defendants who pose a lower risk to the community or those who can be managed on pretrial supervision are released by the judiciary freeing up jail bed space for higher risk offenders pending case disposition. During FY 10/11 Pretrial Services provides case management services to an average of 240 defendants monthly. It is estimated 60% or 140 of these defendants could remain in custody monthly. In partnership with community based social service and treatment providers, defendants are referred for treatment services as court ordered. Compliance or non-compliance with conditions of release are reported to the Court.	4.5	Local	FS 907.014;903.47 Florida Rules of Criminal Procedure 1.130; ABA Standards 10-1.1 to 10-6.1	N/A	N/A	N/A	Meets Board Level	100% General Fund	If eliminated, up to 60% of the cases currently supervised would remain in custody pending case disposition with no services to address treatment issues which would increase the jail population. During FY 10/11 admissions to the program increased 53% and individual caseloads increased 11%. Pretrial supervision holds the defendants accountable for compliance with the conditions of their release imposed by the court. Additionally, many defendants in need of community support and substance abuse treatment would be unsuccessful and may be rearrested during the pretrial stages or fail to appear for their court dates. Defendants are able to support themselves and their families while under pretrial supervision.
Court Services	Pretrial	Electronic Monitoring/Global Satellite Positioning (GPS)	Defendants are released under the most intensive level of supervision of Pretrial Release. The EM/GPS program requires the defendant to be screened for acceptance to determine if they meet certain criteria. Defendant must wear a device that monitors their activities while under house arrest. The defendant is allowed to maintain employment and attend any necessary treatment/self improvement programs ordered by the Court or approved by the Electronic Monitoring Officer. Defendants who are not indigent may be required to pay a monitoring fee associated with electronic monitoring supervision. These fees are paid directly to the vendor. Electronic Monitoring(EM) and Global Satellite Positioning (GPS) has also proved effective in managing detainees with "special needs" in the community reducing the cost to the tax payer.	1	N/A	FS 907.014;903.47 Florida Rules of Criminal Procedure 1.130; ABA Standards 10-1.1 to 10-6.1	Discretionary	N/A	N/A	Meets Board Level	100% General Fund except some Electronic Monitoring costs which are paid directly to vendor by non-indigent persons being monitored	Eliminating this program would cause an average of 25-30 defendants who are currently monitored effectively in the community to be returned to custody. The program provides the Court with an alternative to costly incarceration in the pre-trial and post conviction stages. This program is also utilized to supervise defendants identified at the jail with high medical costs in the community. Defendants remain self supporting while on this maximum level of community based supervision.
Court Services	Pretrial	Mental Health Court/Felony Division 5	The Department of Court Services in partnership with the Eighth Judicial Circuit, Department of Children and Families, defense attorneys, state attorneys and treatment providers, and other partners in the community developed a Mental Health Court program to deal with approximately 30 defendants arrested for misdemeanor and some approved felony offenses who are mentally ill or developmentally disabled. Division 5 defendants are determined incompetent to proceed and/or are developmentally disabled. Defendants are referred to an appropriate treatment provider, receive competency restoration training and monitor their progress while in treatment. Mental Health Court serves as a pre-adjudication diversion program in which the charges of the defendants who successfully complete Mental Health Court will be dismissed. Participation in Mental Health Court is voluntary and the average length of the program is from six to twelve months. Division 5 cases may vary and remain in this court for up to 5 years. Without linking this population to services they would continue to cycle through the jail and lead to increased admissions.	1	N/A; Local	Judicial Administrative Order FSS 907.014;903.47; Florida Rules of Criminal Procedure 1.130; ABA Standards 10-1.1 to 10-6.1	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Eliminating this program would cause an average of 35 defendants with diminished mental health capacity or those who are developmentally disabled to remain in jail custody pending case disposition. These individuals would remain in custody without receiving services from local mental health providers and their mental health conditions may deteriorate as a result.

# Court Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Court Services	Sentencing Alternatives	Probation	Community supervision to individuals placed on probation, collects court costs and restitution from probationers, and refers and monitors their participation in treatment and other programs.	8.65	Local	FS948.01;	Mandatory	There is no minimum staff or resource requirements identified. However, the program has supervised an average monthly caseload of 1300 and the officer average caseload was 166 in FY11. An average caseload per national probation standards is 125 probationers per officer.	Meets Mandate Level	Meets Board Level	100% General Fund with revenue from cost of supervision	Failure to fund this will result in the program's inability to provide supervision necessary to assure caseload compliance. This failure can result in an increase in incarceration of probationers who fail to comply due to supervision plans not being developed for alternatives to incarceration. The program had 1601 new probationers assigned for FY11. Loss of the program could result in up to 60% or 960 probationers returning to incarceration for an average of 120 days per probationer or about 315 probationers a day in jail. The Probation program collected \$366,147 in Cost of Supervision (COS), not including restitution and fees. The COS collected exceeded the projected goal of \$300,000 during difficult economic times while protecting public safety.
Court Services	Sentencing Alternatives	Probation - Case Management and Direct Services (No Wrong Door) and Diversion Resource Coordinator	These 2 positions are completely grant funded. The No Wrong Door program and Diversion Resource Coordinator are a federally funded project. The No Wrong Door Program Specialist provides case management, referral, and direct financial supports for people under the supervision of Court Services who have a mental illness, substance abuse, or co-occurring diagnosis. Direct financial supports include access to temporary and transitional housing, expedited psychiatric evaluations, purchase of prescribed medications, food, and clothing. The Diversion Resource Coordinator assists with program administration, helps to acquire additional resources to assist the target population, and conducts a needs and resources analysis to assist with future planning efforts.	2	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	Discretionary Federal Grant Awards	As designed the project expects to serve a caseload of about 30 people with the goal of helping them successfully complete treatment and Court Services supervision. Reductions in funding would result in fewer people being served and provided with financial assistance which may result in an increased level of violations. A loss of funding would result in the closure of the project.
Court Services	Sentencing Alternatives	Probation - Domestic Violence	Specialized caseloads are designated for offenders charged with domestic battery. These caseloads require specialized training and experience dealing with probationers who exert power and control issues. These caseloads involve a high level of victim contact and requires rapid response when victims may be endangered by probationers who fail to follow the court order. These officers must operate with public safety of victims as their primary concern.	4	Local	Judicial Administrative Order FS948.01	Mandatory	There are no minimum staff or resource requirements identified. However, for a specialized high risk caseloads with enhanced supervision requirements, an average caseload of 75 probationers is recommended per national probation standards.	N/A	Meets Board Level	100% General Fund, however the program generates revenues in the form of Cost of Supervision which is included the amount stated above.	Failure to fund these positions will result in more probationers receiving jail time in cases involving violation of no-contact with victims. Violation of no-contact with victims order could result in jail sentences of up to 365 days. The State mandated Batterer's Intervention treatment for probationers will receive less monitoring, thereby increasing the probability of re-offending. The program averaged 300 domestic violence probationers and if 50%, or 150, domestic violence probationers returned to jail, they would receive an average sentence of 365 days.
Court Services	Sentencing Alternatives	Probation - Victim Impact Panel	All 1st time "Driving under the Influence" (DUI) probationers are Court ordered to attend the Victim Impact Panel. The panel is presented so that DUI probationers can consider the consequences to others, as a result of their behavior. Probationers are brought face to face with victims of drunken driving crashes.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Loss of this deterrent will mean that persons charged with DUI will not have the opportunity to understand the reality and consequences of drinking and driving. 1st time probationers are legislatively mandated to complete 50 hours of Community Service work and those who attend the Victim Impact Panel receive credit for 5 hours of work. FY 11, 597 probationers attended the Victim Impact Panel.
Court Services	Sentencing Alternatives	Day Reporting	Day Reporting is an intensive supervision program for sentenced offenders and pretrial defendants who need daily supervision and multiple services in order to be managed outside of the Jail. Individuals are required to participate in treatment and educational and rehabilitative activities according to a structured schedule.	5	N/A	FSS 948.01 907.041	Discretionary	The Florida Statutes do not directly address Day Reporting Programs, however, they can be utilized for supervision of both pretrial and probationary clients. There are no minimum staff or resource requirements identified. The program operates as the final supervision alternative for pretrial and probation clients.	N/A	Meets Board Level	100% General Fund. The program has generated \$19,343.00 in revenues (Program Fees).	The program supervised 397 participants needing intensive, daily supervision pursuant to court order for FY10/11. The success rate of the program was 71% for FY10/11. The program is the final alternative for individuals failing to comply with county probation and serves as an alternative to jail for pretrial offenders who would remain incarcerated without the structured services provided while they have a pending case with the court. If only 50% of the 397 individuals referred to the program in FY 2010/11 remained incarcerated for one year it would equate to 199 additional inmates in the jail over the course of the year.

# Court Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Court Services	Sentencing Alternatives	Community Service	Recruits and coordinates government and non-profit Community Service work sites so that offenders can complete community service work as required by the Court, State & City Attorney, and County & State Probation. Monitor completion of work by offenders and reports back to appropriate referring agency. Place offenders according to skills, location, and criminal history. Operate work crews that are alternatives to short term jail sentences.	2.35	Local	FSS 948.031; Judicial Administrative Order	Discretionary	Community Service may be required as a condition of probation. There are no minimum staff or resource requirements identified.	N/A	Meets Board Level	100 % General Fund and cost of supervision program revenue.	Directly impacts the jail population by decreasing incarceration. The program maintains contact with 170 non-profit organizations and governmental entities that will be required to replace the workforce provided by these offenders. The program also collected \$68,656 in fees which would no longer be available to the County. The program received 4120 new clients during FY11.
Court Services	Sentencing Alternatives	Community Service-Work Crew	Community Service Work Crew provides a sentencing option for the Court in lieu of weekend and short term jail sentences. Judges sentence offenders to a specified number of days on the work crew supervised by community service staff or by staff at the work site. The Work Crew operates seven days a week with an average of 22 clients participating daily to perform special projects at designated predetermined sites. New Normal Work Crew implemented October 2011. Projects focus on providing level of service improvements, contract replacement, and potential staffing reductions to other BOCC Departments.	3	Local	Judicial Administrative Order FS 948.031;	Discretionary	The statutes do not directly address this service and as such there are no minimum staff or resource requirements identified. However, the program provides an option for judges to use Direct Sentence in lieu of incarceration. The average number of offenders serving on the crew per month is 76. In FY11, 21 fewer people in jail per day as a result of serving on Work Crew.	N/A	Meets Board Level	100% General Fund, however the program has generated revenues (Fee for Service) which is included in the overall Community Service budget.	The loss of this Work Crew will increase the jail population due to loss of the option for weekend and short term jail sentences. Additionally, the services provided to worksites by these offenders for non-profit organizations and governmental entities will no longer be available. Offenders performed 65,536 hours equaling a dollar value to the community of \$655,360.00 when computed at a rate of \$10.00 per hour as designated by the court. Offenders performing community service in lieu of incarceration completed 7704 days on crew in FY11 that would be lost should the program not exist.
Court Services	Sentencing Alternatives	Community Service - Level 1 Compliance	The Community Service Program assumed supervision of clients previously monitored by the Clerk of Court. An administrative change no longer allowed for Clerk's Offices statewide to monitor these cases. The increase in supervision has directly impacted community service staff as they have assumed responsibility for Level 1 Supervised Probation clients. This has resulted in an open active caseload of 630 Level 1 clients monthly distributed between three staff members, in addition to their normal assigned work load.	3	State; Local	FS 948.01; 948.031	Mandatory	N/A	N/A	Meets Board Level	N/A	Failure to fund these positions will result in more offenders receiving jail time. The Clerk's Office for FY 08/09 averaged 3364 cases per year with approximately 1245 per year receiving a warrant for failure to maintain the conditions ordered by the court. This historical data provided by the Clerk of Court indicates 37% of the offenders failed to maintain the conditions of the court order for FY 08/09. FY11 statistical data indicates a 69% success rate for Level 1 probationers supervised under Community Service staff. Failure to fund these positions will result in more Level 1 probationers receiving jail time.

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Environmental Protection	1. Environmental Protection Administration	Administration	Provide leadership and administrative support services for the department's technical programs. General administrative and fiscal support services assist in meeting the department's financial management, , procurement, human resources, public records, risk management, document management, and database management needs in compliance with County policies, procedures, and best practices. The EPD Director provides Alachua County leadership and direction on environmental protection issues, including drinking water protection and land conservation.	2.89	Local	Local: Alachua County Code, Chapter 73, Environment; Chapter 77, Water Quality Code; Chapter 353, Hazardous Materials Management Code	Mandatory	County Code, Title 7, Chapter 73, Sec73-04: The county department of environmental services is hereby designated as the agency responsible for the administration of the county's pollution control program, referred to in this chapter as the "local program." The department shall have such personnel as shall be deemed necessary by the board. No specific staff requirements identified in mandates. Water Quality Code 77.05: EPD Director is designated as the county officer responsible for the administration and enforcement of this chapter. HMMC 353.25: EPD Director is designated as the county officer responsible for the administration and enforcement of this code. Alachua County Emergency Management Plan-ESF 10: requires technical expertise and leadership in Hazardous Materials and Environment for Emergency Support Function 10 by the EPD Director and technical staff.	Meets Mandate Level	Meets Board Level	100% General Fund	Loss of direction and administration of technical programs. Loss of focus on County's environmental protection mission. Technical staff will have to manage records and respond to requests for Public Record reviews. OMB will have to prepare the department's annual budget. Loss of other administrative services would affect financial transactions (payroll, accounts payable, accounts receivable, etc.), contract/grant management, customer service, and database management.

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Environmental Protection	2. Land Conservation	Land Conservation	Approved through 2000 Alachua County Forever Referendum and 2008 Wild Spaces & Public Places Referendum. Ensure that Alachua County Forever is a conscientious, innovative, progressive leader in land conservation. Use acquisition, stewardship and funding development practices to preserve the County's environmental integrity to improve residents' quality of life. Currently, over 20,000 acres on the County's Acquisition List have been protected, 17,000 with county funds. Fully 33 of the 53 acquisitions have funding partners, leveraging 63% of the \$93M cost from non-county sources. The County and its partners split the stewardship of these lands avoiding the necessity to spend over \$1.2M in stewardship costs by the County.	7.95	Local	Federal: US Dept of Ag requires local monitoring of conservation easements jointly held as a condition of their National Resource Conservation Service and Forest Legacy grants. State: Grant Contracts with Fla Communities Trust require land stewardship and public access as a condition of \$20.5 million in grants; FSS 125.01(1)(f), (j), and (aa); Agreements with Water Management District require County coordination and assistance with management of jointly held lands Local: (1) Land Conservation Program (2) Ord. 00-13 created Ch 36 of the Alachua County Code establishing the Land Conservation Program; (3) Land Conservation Program allows the County to meet 43 separate County Comprehensive Plan directives; (4) Resolution 09-10.	Mandatory	No specific staff or resource requirements identified in referendum mandates. Commission adopted "No Loss of Conservation Values" guiding principle in 2002. County manages 9,545 acres over 20 sites. Coordinates with partners on add'l 10,441 ac. Total will be 21,397 ac by FY13; 10,175 ac managed by the County. Sites managed according to a required management plan. 37 are complete, 4 are pending. About 75% of workplans implemented annually. Reductions in stewardship result in delays in providing access, increased wildfire hazard and nuisance potential from trespassing and dumping, and overall loss of conservation values. Alachua County spends \$6.56/ac annually on recurring non-fire stewardship. Nationally, costs range from \$2.50 to \$2,200/ac. Mean is \$136 and median is \$72/ac. Alachua County's Level of Effort (LOE) is 4,536 ac/FTE. Nationally, LOEs range from 25 to 10,000 ac/FTE. Average LOE is 190 and median is 285 acres/FTE.	Meets Mandate Level	Meets Board Level	100% General Fund; Alachua County Forever Bond revenues, grants and revenues from leases and timber sales as appropriate, partnerships	Land conservation provides direct and indirect benefits to local economy and residents' quality of life. Failure to maintain a coordinated and organized program would lead to: (1) loss of conservation values, ecological habitat, passive recreation and educational opportunities; (2) urbanization with loss of ecological, recreational and aesthetic services; (3) default on existing state grants requiring land management and to no County representation in the management of County-owned lands; (4) default on Federal Agreements requiring County monitoring of the conservation easements purchased with federal assistance and to violations by the owners of eased property; (5) failure to meet Comp Plan directives to acquire and manage conservation property; (6) failure to meet Comprehensive Plan Levels of Service for recreation.
Environmental Protection	3 Land Conservation	Balu Forest	Maintain site for future solid waste facility, including possible landfill. Restore to old growth, uneven aged, longleaf pine-dominant forest with potential to become self-sustaining in 15 to 20 years through timber revenues.	0.25	Local	Local: Comp Plan, Board Policy	Mandatory	BoCC-adopted management plan requires management and recreational access. Comp Plan requires the reservation of the site for a Solid Waste Facility. In the meantime, site is to be managed as a multiple-use forest with an emphasis on recreation and restoration.	Meets Mandate Level	Meets Board Level	100% Solid Waste Trust Fund	If not maintained as a future solid waste facility site, we would lose leverage with out-of-county landfills. Could be maintained at minimal cost, cost savings to County, but would lose potential for future revenues.

# Environmental Protection

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Environmental Protection	7. Pollution Prevention	Hazardous Waste Collection	Provide a County-wide system for the proper disposal, reuse and recycling of hazardous materials and wastes, automotive fluids, household chemicals, unwanted pharmaceuticals, waste vegetable oil, latex paint and electronic waste materials generated by households and small businesses. Manages a central Hazardous Waste Collection and Management Facility and provides and maintains 5 Hazardous Waste drop-off locations throughout the County. Conducts mobile hazardous waste collection events in neighborhoods and small municipalities. Work in conjunction with companion EPD programs for Hazardous Materials Management and Small Quantity Generator facility inspections to provide low cost hazardous waste disposal option to small businesses. Provide public education on the proper disposal of hazardous materials. Develop unique and innovative grant-funded projects to improve the collection and disposal of hazardous wastes in the community.	5.14	State; Local	State: FSS 125.01(k)1, which provides that Counties have the authority and responsibility to provide and regulate the collection and disposal of waste and to implement conservation programs Local: Policy 1.7.1 through 1.7.6 of the Solid Waste element of the Comp. Plan mandates that the County will maintain and provide a safe, economic disposal and recycling system for hazardous wastes for citizens and small businesses	Mandatory	5.14 FTE are minimum staffing and support staff needed to safely operate and support fixed hazardous waste collection facility and rural hazwaste collection drop off locations at current service levels. Additional 0.5 FTE may be needed during heavier work periods due to optional state of Florida Coop Grant revenue producing opportunities. Local: Comprehensive Plan-Provide safe, economical disposal and recycling system for hazardous wastes.	Meets Mandate Level	Meets Board Level	80% Solid Waste Assessment/User Fees; 20% State Contract	Improper disposal of hazardous wastes. Hazardous materials and wastes from households and small businesses would wind up in solid waste landfills or dumped in the environment increasing risk of contamination of ground and surface waters with toxic materials. Increased use of landfill space with bulky electronic equipment. Costs for small businesses to properly dispose of small amounts of hazardous wastes would increase. County would lose \$80,000 per year in revenue from FDEP Coop grants which is used to offset hazardous waste disposal costs. Disposal costs for solid waste for County would increase. Quality of environment would be degraded. County would not be in compliance with the requirements of the Comprehensive Plan to provide a safe and economic disposal and recycling system for hazardous wastes.
Environmental Protection	8. Pollution Prevention	Petroleum Management	Provide site management for investigation and remediation activities at petroleum contaminated sites. Provide technical review of engineering documents for compliance with Florida Department of Environmental Protection (FDEP) guidelines. Provide financial review and approval of invoices and work orders submitted by engineering contractors. Conduct storage tank compliance inspections and provide enforcement assistance to FDEP for regulated storage tank facilities. Provide local expertise to expedite the effective cleanup of petroleum contaminated sites.	3.44	State; Local	State: FDEP Contract with Alachua County for local Petroleum Clean-up Program Management and for local Petroleum Storage Tank Compliance Inspection; FSS 376.3073, for local programs and state agency programs for control of contamination Local: Policy 4.5.15, 4.5.16 and 4.5.17 Conservation and Open Space Element of the Comp. Plan	Mandatory	State Petroleum Cleanup contract specifies funding and minimum staffing levels based contract technical requirements to manage the number of active sites in remediation including technical, supervisory, administrative and clerical support. State Tanks Compliance contract requires appropriated level of staffing (technical, supervisory and administrative support) consistent with specific contractual funding level and achieving contract requirements.	Meets Mandate Level	Meets Board Level	100% State Contract	County would lose \$335,000 annually in contract revenues from the State. Current locally managed program activities would default to State control from remote location. Property development and redevelopment locally would be delayed and negatively impacted do to lack of local attention to clean-up of contaminated sites. Property values would be negatively impacted due to delays in clean-up of petroleum contaminated sites. Loss of local expertise and knowledge of local conditions required to bring State attention and resources to prioritize and oversee remediation activities and underground storage tank inspections will increase groundwater contamination risk and create delays in clean-up of soil contamination. Less responsiveness to the public and small business inquiries about status of petroleum contaminated sites.

# Fire Rescue

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Fire Rescue	Administration	Administration	The Administration Division provides direction and oversight to ensure effective fire protection, pre-hospital emergency medical services, Enhanced 911, and Emergency Management services in preparation for natural and human-caused disasters for the citizens of and visitors to Alachua County. Services include administrative support and logistical services to field personnel; budget development, oversight and management for all sections of the Department enabling them to accomplish the mission, "To improve the life safety of people and protection of property through preparedness, response, mitigation and recovery." Administration and oversight of contracts and agreements related to public safety (fire agreements, medical directors, FEMA, etc.) The Department's Administration is the sole provider for coordination throughout the County for emergency planning and response, including nine municipalities and their various service agencies, non-profit community service agencies, and volunteer groups.	3.5	State; Local	Alachua County Code 21.56, 52; Florida Statutes 252, 365, and 633; Florida Administrative Code 9G-19, 64J, and 69A	Discretionary	N/A	N/A	Meets Board Level	50% General Fund; 50% MSTU Fund	This division provides administrative and logistical support and leadership to the Department. If unfunded, the department would have no direct management or oversight of critical functions such as purchasing, payroll, budget, payables, grants, information services support, public information, and customer service. Further, coordination for planning and emergency response throughout Alachua County would be substantially curtailed or eliminated.
Fire Rescue	Administration	Fiscal Office	The Fiscal Office provides oversight and management of the annual operating budget, grant fund management and reporting, procurement of all supplies and equipment, personnel management, accounts payables, payroll, expenditure monitoring and management, annual budget development, and compliance with all Administrative, Fiscal, and Budget policies and procedures.	3	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	50% General Fund; 50% MSTU Fund	If funding was reduced or eliminated, critical support functions for the Department would be delayed or eliminated. Examples are Payroll, Accounts Payables, grant reporting, annual budget development and expenditure monitoring. It would be very difficult for the Department to comply with the County Administrative, Fiscal and Budget policies and procedures from Finance and Accounting, Human Resources, OMB, and Purchasing. The Office would also not meet the needs of the Operations Division with timely procurement of necessary supplies and equipment.
Fire Rescue	Administration	Information and Technology Support	The Department of Fire Rescue has 2 staff that provide technical support related to the network and specialized software programs and reporting for 151 desktops and laptops, 10 servers and 17 physical locations. Responsibilities include support for the Emergency Medical Services reporting system, fire reporting system including station management, sql server and all databases, computer aided dispatch, Telestaff scheduling system, Ambulance Billing system, Proxy Server management, E911 GIS, WebEOC, Netmotion, MDC software and hardware, Fire Prevention system, Remote access for EOC, Intranet website, network connectivity between all the stations, Training support video production, and assistance to ITS helpdesk support for Fire Rescue issues. Staff provides 24/7 technical support to the Department of Fire Rescue. Staff also fills an Emergency Support Function during emergency situations.	2	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	50% General Fund; 50% MSTU Fund	Any reduction in the current staffing would result in the Department's inability to provide adequate support for the technology it currently has in place. The Department would be unable to continue efforts to streamline and implement technology to improve accountability and efficiency.
Fire Rescue	Administration	Central Supply and Inventory Management	The Central Supply System currently houses all of the necessary medical and fire supplies and equipment for the Emergency Medical Services and Fire Protection Operations. Rescue Units and Stations place orders twice a week to replenish supplies on the apparatus and station. Staff also coordinates the annual bid/rfp process under the procurement policies of the County and the annual inventory of fixed assets per Finance and Accounting. All items that are purchased and issued to employees, agencies or units of the Department of Fire Rescue, are tracked by the Central Supply System for accountability purposes.	3	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	50% General Fund; 50% MSTU Fund	Reduction in the current staffing at the Central Supply Warehouse would impact the timely delivery and provision of critical supplies and equipment for the Fire Rescue Operations Division. Reductions would also impact the Department's ability to assure an appropriate level of equipment and capital equipment accountability.

# Fire Rescue

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Fire Rescue	Administration	Ambulance Billing and Collections	<p>The Medical Billing and Collection Branch of the Department bill and collect for services per the Board adopted fee schedule. The Branch maintains compliance with all federal and state laws related to insurance, Medicare, and Medicaid billing procedures and policies. They also coordinate contract with collection agency for severely delinquent accounts.</p> <p>The Billing and Collection Branch provides a collection percent of approximately 79.6%. This is well above the industry standard of 50-60%. Without Fees for service our cost per capita is \$42.93. The Fees for Service with our collection rate reduce our cost per capita to \$16.00.</p>	6	N/A	ACC 21.56, 52	Discretionary		N/A	Meets Board Level	General Fund 37% and Fees 63%	Reduction to this Branch would result in reduced efficiencies and collection. This would result in decreased collections and increase in General Fund contribution to operated emergency medical services.

Fire Rescue	Emergency Management Section	Emergency Management	<p>Emergency Management performs technical work in the development, implementation and management of a County-wide disaster program that encompasses mitigation, preparedness, response and recovery. The section develops and maintains the following documents: Comprehensive Emergency Management Plan (CEMP), Continuity of Operations Plan (COOP), Local Mitigation Strategy (LMS) and Post Disaster Redevelopment Plan (PDRP). Emergency Management is the custodial agency for the County's Emergency Operations Center (EOC). Provides planning, training and exercises for local government staff, non-profit agencies, businesses and citizens in order to be prepared for disasters and incidents of National Significance. Conducts annual plan reviews for Health Care Facilities and Hazard Analysis of chemical facilities in the county. Responsible for the development and maintenance of operational plans supporting preparedness, response, and recovery. Civil Preparedness Guide recommends agencies employ 1-5 full time staff for populations of 100,000 - 250,000.</p>	4	N/A	FSS 252; FAC 9G-19; ACC 21.56; Ordinance 86-1	Mandatory	Standard Level of Service for Emergency Management is the Florida Statute and FAC requires a program director. Community preparedness Guide (CPG) 1-5 Objectives for Local Emergency Management. It provides a range of staffing based on a range of population. The range that Alachua County currently falls into based on population is 100,000-250,000. This staffing range is 3-5. Currently the office is staffed with 4 permanent staff	Above Mandate Level	Meets Board Level	54% Grant Funded / 46% General Fund	A reduction or elimination of local funding to the EM program could result in the State withhold funding and therefore, the program would cease to exist, which is violation of State Statute. Additionally, mitigation funding would not be available to the County for projects that reduce the threat of natural hazards. This would be a violation of Fed. law (Disaster Mitigation Act of 2000). If funding was reduced, the program would barely meet the State's minimum criteria as established by the Scope of Work (SOW). The elimination of the funding and therefore the program would result in an uninformed and unprepared community regarding natural disasters. This would eliminate public warning and notification. The Special Needs registration would cease to be maintained and therefore, put the County in non-compliance. It would also terminate volunteer programs that would be in non-compliance with the SOW. It would also jeopardize the County's status as a Storm Ready community and invariable that status would be reduced to non-designation. The County would no longer have emergency planning, training or exercise capability and the government would not be prepared for an incident. Compliance failures potentially jeopardize all Federal Grants to the County.

Fire Rescue	Fire Rescue Operations Section	Emergency Medical Transport	<p>The BoCC provides pre-hospital Advance Life Support emergency medical care and transport services twenty four hours a day, seven days a week, through the deployment of twelve ambulances strategically located in the County. These units responded approximately 36,000 times in FY11. "Population alone has the greatest impact on EMS workload, since 100% of all EMS incidents are related to the activity or condition of human population" (Fire/EMS Services Master Plan). We also provide the following revenue generating services; local and long distance medical transfers, EMS coverage at all large scale community events (Ben Hill Griffin Stadium, O'Connell Center, Gator Nationals, etc...), technical and specialized rescue service, and EMS/Rescue training for all personnel.</p> <p>State Statute 401 and FAC 64E requires all EMS providers to operate under the direction purview of a Medical Director. Our Medical Director provides direction to the Department and all participants of the Fire Services Network on all medical procedures, acts as a liaison between physicians and hospitals, represents the Department on local, state and national committees and organizations and directs the Medical Quality Assurance program.</p>	92	Local	Ordinance 93-9; ACC Chapters 21.56, 52; FSS 401, FAC 64E-2, Alachua County Fire/EMS Services Master Plan.	Discretionary	<p>When the service is provided, the terms and conditions identified in Statue, Rule and Code are mandatory.</p> <p>The minimum level of staffing per ALS rescue unit is mandated by State Statute (401) and Rule (64-E). The required number of operational ambulances is determined via the Fire/EMS Services Master Plan. The Master Plan contains a formula based on population, incident rates per capita, and average number of incidents per unit. The Master Plan formula requires 12.65 ambulances. The Department currently staffs 12 ambulances.</p>	Below Mandate Level	Below Board Level	Fees for Service 63% and General Fund 37%	A reduction in operational level would violate the adopted Fire/EMS Services Master Plan. Greater potential for individual and community catastrophic event would loom while an increase in response times to emergency incidents would occur. BoCC ability to continue services currently provided would diminish, an outcome of which would certainly be an increase of the mortality and morbidity rate of the County.

# Fire Rescue

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Fire Rescue	Fire Rescue Operations Section	Fire Protection	<p>The Department currently provides fire suppression and first response advance life support (ALS) EMS services to portions of the unincorporated area and the cities of Alachua, Archer, Hawthorne, and Waldo. We operate eight engine companies, one multi-purpose aerial company, and one technical rescue company. These units responded approximately 15,000 times in FY11. The County also contracts with the cities of Gainesville, LaCrosse, Micanopy, Newberry, High Springs, and the organizations of Windsor VFD, Cross Creek VFD, and Melrose VFD to provide varying levels of fire suppression and first response EMS services to the unincorporated area of the County.</p> <p>Urban and suburban fire units are staffed with three personnel, rural stations are staffed with two personnel per shift. Fire vehicles are cross staffed where possible (engine is the primary staffed unit, brush and tanker are cross staffed from personnel assigned to the engine). During cross staff response the engine (primary unit) is placed out of service. Rural stations are staffed with two personnel which does not allow cross staffing of multiple units. Consequently, only one unit can respond.</p> <p>The Fire Services Assistance Agreement (FSAA) with the City of Gainesville ensures the closest unit response to incidents regardless of the political jurisdiction of the responder or location of the incident. This is a reciprocal compensatory agreement. The County currently provides more responses to the Gainesville incorporated area than City does to the unincorporated area. This provides revenue to offset expense of service provided.</p> <p>All rural fire service providers, by agreement are members of the County's "Fire Services Network" and work to comply with the BoCC "Fire Service Delivery Core Principles." The BoCC Principles incorporate the Level of Service Guidelines identified in the Comprehensive Plan and Fire/EMS Services Master Plan. Level of fire services (vol/paid and staffing) in the rural areas vary by community expectations and call load.</p>	99	State; Local	Fire/EMS Services Master Plan; AC Comprehensive Plan; ACC 21.56, 35.04, and 52; FSS 362, 401, 633.025, 633.821; FAC 64E, 69A; NFPA 1710	Discretionary	When the service is provided, it must comply with the referenced authorities. LOS is established via the Comprehensive Plan Guidelines, Fire/EMS Services Master Plan, and ISO. Response level guidelines are grouped into to three distinct categories of Urban, Urban Cluster (suburban), and Rural. Urban level specifies an initial response of 4 minutes to 80% of incidents; Suburban level specifies an initial response of 6 minutes to 80% of incidents; rural level specifies an initial response of 12 minutes to 80% of incidents.	N/A	Below Board Level	MSTU-Fire Fund	<p>A reduction in operational level would impact one or all of the following: adopted Fire/EMS Services Master Plan, rural services agreements, FSAA with Gainesville, referenced authority documents, and first response to emergency medical incidents.</p> <p>Greater potential for individual and community catastrophic event would loom while an increase in response times to emergency incidents would occur. Your ability to continue services currently provided would diminish, an outcome of which would certainly be an increase of the mortality and morbidity rate of the County and increase of property loss due to fire.</p>
Fire Rescue	Fire Rescue Operations Section	Fire Prevention	<p>The County Fire Marshal (CFM) oversees the areas of Fire Prevention, Arson Investigation, and Department Internal Affairs.</p> <p>The Fire Prevention Office activities include annual fire safety inspections for all public, private and charter schools, day care centers, assisted living facilities, nursing homes, Alachua County facilities, and medical facilities as required for the renewal of their State license. Fire and life safety inspections are also performed on commercial occupancies.</p> <p>The Plans Inspection/Review program, which is mandated, provides for the review of all architectural drawings for new commercial construction in Alachua County. The review includes the fire alarm systems, fire sprinkler systems, and pre-engineered suppression systems.</p> <p>The County's Fire Marshal conducts arson investigations for incidents in the unincorporated area and the cities of Alachua, Archer, Hawthorne, and Waldo. The CFM also coordinates all fire investigations with the State Fire Marshal's Office when there is an injury and/or death.</p> <p>The Fire Marshal is also assigned the function of Internal Affairs which is responsible for conducting investigations of received complaints (internal and external). The Fire Marshal's investigation process and reports are critical to appropriate resolution and disposition of each complaint.</p>	3	State	FSS 633; FAC 69A; ACC 21.56	Mandatory	<p>Annual inspections are required for assisted living facilities, adult family-care homes, public schools, charter schools, community colleges, child care facilities, and residential child care facilities. All other existing buildings and facilities are required to have periodic inspections.</p> <p>New constructions plan reviews are provided with a maximum 21-day turnaround time. New construction inspections are provided with 24-hour prior notification of an inspection request.</p> <p>Internal and external complaints prioritized and investigated accordingly. Life Safety complaints are investigated 24/7. Service level and employee complaints are handle expeditiously.</p>	Above Mandate Level	Meets Board Level	MSTU-Fire Fund	Reduction would result in delay of plans review and facility inspections. Focus of inspections would be "complaint driven" only. Arson investigations would become the responsibility of the State of Florida. Internal Affairs would be compromised resulting in delayed internal and external investigations and resolution. Response to citizen complaints of life safety code violations would be compromised as well.

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
General Government	Communications	Meeting broadcast /Video Production/ Audio/Visual technical support.	The Communications Office cablecasts and internet streams County Commission Regular Meetings, Public Hearings, Special Meetings, Informal Meetings and Planning Commission Meetings. Communications also produces County informational programming including the award winning Alachua County Talks, public service announcements, special programming, and Channel 12 Bulletin Board information. The Communications staff provides audio/visual technical support for the Board Room, the Grace Knight Conference Room, the Health Department conference room, offsite Board meetings/retreats, and a variety of other audio/visual projects and presentations.	2	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	If reduced, there would be less transparency and communication with citizens. There would be less programming on Channel 12 and the website. Audio /Visual technical support would be reduced. The functionality of the various meeting rooms would be greatly diminished. The ability to video tape and provide audio support for remote Commission meetings would be reduced.
General Government	Communications	External/Internal Communications	External: The Communication Coordinator acts as the spokesperson for the Board and the lead Public Information Officer in the event of an emergency such as the hurricanes of 2004. The Communications Division monitors, coordinates, and communicates with the media. It produces and distributes press releases, the Annual Report, the Community Update newsletter, and many other publications. The website homepage, communications page, and Video on Demand pages are maintained by Communications. The Community Update newsletter is electronically distributed to nearly 12,000 citizens, media, and County employees keeping them up-to-date on the activities and actions of County government. The County currently has over 5500 social networking (facebook and Twitter) subscribers.  Internal: We provide design, copy writing, editorial, and public and media relations services for all County Departments. Every Monday morning the weekly media update is emailed to all County staff. The update includes newspaper articles and links to television stories that relate to County issues. The update provides, in one document, a review of the preceding week. It is an excellent time management and reference tool for County employees as they have the entire week's stories readily available.	2	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	If reduced, priorities would be evaluated and some of these services would be eliminated. Some services described would no longer be provided to citizens and transparency and communications with citizens would be greatly diminished. Graphic design services would be reduced or no longer available to County departments. Production of the Annual Report, Community Update Newsletter, and other publications would be reevaluated. The Communications portion of the website and social networking sites would no longer be updated at current levels. The Media Update would be eliminated.

General Government	Office of Management and Budget	Budget Management	Developes and maintains a balanced budget, monitors and analyzes ongoing fiscal activity, and produces documents and reports to assist management in financial planning and the maximization of the allocation of resources. Coordinates development of financial feasibility for the five year Capital Improvement Program. Provides performance measure reporting, tracks outcomes, and advises on budget/financial considerations and alternate courses of action when programs are under target.	3	State	Florida Statutes 129	Mandatory	A balanced budget is required, no minimum detail, quality or staff requirement is identified.	Above Mandate Level	Meets Board Level	100% General Fund	The budget process assists the Commissioner when making program and service level decisions and with the allocation of scarce resources. As a result, the budget process is one of the most important activities undertaken by any government. The quality of decisions resulting from the budget process and the level of their acceptance depends on a sound and transparent budget process.  Failure to meet State Statutes requiring a balanced budget and adherence to best management practices will decrease the ability of Commissioners to make informed choices about the provision of services and capital assets and will reduce the participation of stakeholders in this very important process. Reduction of this program will negatively impact public accountability and transparency and may result in violation of statutory requirements.
General Government	Office of Management and Budget	Contracts	Reviews and processes all contracts and related documents (amendments, task assignments, etc) assuring compliance with relevant rules and regulations prior to placement on BOCC agenda. Reviews requests for proposals and bid documents which result in contracts. Assists all departments with contract related questions and contributes to such teams. Reviews contract wording for language that is contrary to public policy or Alachua County code.	1.5	State; Local	Alachua County Code; FSS112; FSS218 related to contract payment; other non-bid or contract related FSS that may require specific contract language such as those related to architects and engineers, confidential language, e-Verify, chemicals, or other scope/specification related language.	Mandatory	Guidelines for Execution of Contracts - County Section 21.30, Alachua County Code; State Statutes related to contract terms and language; No minimum staffing requirement is identified.	Above Mandate Level	Meets Board Level	100% General Fund	If this program were reduced or eliminated it would cause a decentralized process that would have to be absorbed by other divisions, the bulk of which would fall on the County Attorney's Office. This would cause increased training time and support necessary to function in a decentralized manner. May result in approval of contracts against the County's best interest or approval of contracts that the County cannot legally or operationally perform.  Between 300 and 500 contract documents are process annually by this program.
General Government	Office of Management and Budget	Records Retention	The Office of Management and Budget processes over 1200 contract and grant documents in Stellant and/or HTE annually. This program maintains original contract and grant files in accordance with Records Retention statutes and storage guidelines. This program also processes contract and grant related POs and requisitions, amendments, and task assignments.	1	State	FSS 257.36; FSS 119	Mandatory	Florida's records management program is authorized by section 257.36, Florida Statutes and applies to public records as defined in 119.011(11), F.S and requires that records be kept for public inspection and according to records retention and destruction guidelines. No minimum staffing requirement is identified.	Meets Mandate Level	Meets Board Level	100% General Fund	Reduction or elimination of this program would result in the requirement for decentralized retention of original contract, grant, budget, capital, FEMA and other related documents or reassignment to another division or the County Attorney's office. This could result in mishandling of these documents resulting in the violation of state and federal document retention guidelines, which could result in penalties and fines for each violation. Additionally, availability of requested documents and customer service would decrease.  This program processed over 440 PO's last year totalling over \$80M. If this program were reduced or eliminated, this activity would have to be decentralized or reassigned to another division.

# General Government

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
General Government	Office of Management and Budget	Grants & FEMA Coordination	Reviews and processes all grant and related documents (amendments, applications, etc) assuring compliance with relevant rules and regulations prior to placement on BOCC agenda. Administer Grant-Opportunity Tools Program (e-Civis) and provides grant related training, outreach, and support to other public agencies and community based and non-profit organizations. Assists all departments with grant related questions and contributes to such teams. Maintains grant files in accordance with Records Retention statutes and grant guidelines.  Additionally this program is responsible for the coordination and processing of FEMA and other emergency disaster related reimbursement activities.	1.25	Federal; State; Local	Alachua County Code; FSS - records retention; FEMA guidelines	Discretionary	Guidelines for Execution of Contracts - County Section 21.30, Alachua County Code - as grant agreements are processed as contracts; Florida's records management program is authorized by section 257.36, Florida Statutes and applies to public records as defined in 119.011(11), F.S and requires that records be kept for public inspection and according to records retention and destruction guidelines. No minimum staffing requirement is identified.  FEMA guidelines specifically detail paperwork processes necessary to receive reimbursement in the event of a natural or man-made disaster. This can vary widely based upon the circumstances. No minimum staffing requirement is identified.	Above Mandate Level	Meets Board Level	100% General Fund	Would cause a decentralized process that would have to be absorbed by other departmental divisions, the bulk of which would fall on the County Attorney's Office. This would cause increased time consuming training and responsibility to the other departments. May result in approval of grants against the County's best interest or approval of grants that the County cannot legally or operationally perform. Additionally, the county can be fined for violation of the Records Retention requirements if the records retention/destruction schedule as outlined by the state of Florida are not followed.  For FEMA, another program or division would have to take the lead for processing reimbursement paperwork according to FEMA guidelines resulting in additional processing time, delay or denial of reimbursement.
General Government	Office of Management and Budget	Research and Technical Assistance	In house, professional staff provide informed and in depth analysis, advice, and recommendations to the Departments, management, and the Board relating to County policy, County procedure, and local, State, and Federal issues relating to and affecting the County.	2	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% General Fund	Failing to have this in-house expertise will slow down all budgetary related matters that currently flow to the County Manager and the Board. Without the requisite research and advice, information could be incomplete, contain errors or provide inappropriate guidance. The public, management, the Board, and other stakeholders regularly requests budgetary research and reports as well as public presentations. If this program were reduced or eliminated the speed and accuracy of the information would be delayed or not produced at all.
General Government	Office of Management and Budget	Financial Policy and Procedures	Professional budget staff provide daily financial oversight to ensure that the County's financial policies and procedures are adhered to. The staff consults with Legal, Finance & Accounting, Constitutional Offices and the County's management team and support staff.	1.5	Local	Board Adopted Financial Policies County Administrative Procedures	Mandatory	No minimum staffing or funding levels mandated. Budget Amendments, agenda items, fee schedules and other assorted procedures are required by Board policy.	Meets Mandate Level	Meets Board Level	100% General Fund	Failing to have this in-house expertise would require decentralized process management which would have to be absorbed by other departmental staff and/or Finance & Accounting. This change could result in an increase in budgetary decisions being processed contrary to Board policy resulting in increased workload to correct mistakes. Additionally, errors of this nature could result in negative audit findings and potential impact on our bond rating.
General Government	Office of Management and Budget	Truth in Millage (TRIM) Compliance	Compliance with requirements for Board of County Commissioners related to TRIM.	0.5	State	Florida Statutes 200	Mandatory	Compliance with TRIM procedures to include scheduling and presentation of public hearings; filing of resolutions with Tax Collector and Property Appraiser; and filing of assorted documents with Department of Revenue.	Meets Mandate Level	Meets Board Level	100% General Fund	Penalties range from having the expense of re-advertising/re-sending TRIM notifications to every property owner to re-holding all of the public hearings, to the withholding of State Revenue Sharing and all local millage in excess of the rolled-back rate until the certification is filed correctly.

# Growth Management

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Growth Management	Comprehensive Planning	Comprehensive Planning	Development, update, maintenance, administration, and implementation of the Comprehensive Plan. This includes statutorily mandated requirements such as annual updates of the Capital Improvements Program and Element, and other statutorily required things like aviation planning, and water supply planning. Other Comprehensive Plan program activities include Economic Development and Community Planning, Intergovernmental and Joint Planning activities, and coordination with the Alachua County School Board on public school facilities planning. The Comprehensive Planning Division also coordinates implementation of the County's Boundary Adjustment Act with municipalities through the County's Annexation Team, and supports several advisory committees and related program activities including Rural Concerns Advisory Committee, the Economic Development Advisory Committee, the Historic Commission, and the Old Florida Heritage Highway/Florida Scenic Byway.	8	State; Local	FSS 125&163, Ch 21 ACC Comp. Plan Ch 225 ACC BoCC Resolutions establishing advisory committees	Mandatory	Required per Florida Statutes, the Alachua County Comprehensive Plan and the Alachua County Code and BoCC Resolutions; no specific minimum staff or resource requirements are mandated. Must meet notice and public hearing requirements of the State for Comprehensive Plan amendments, professional standards and requirements for best available data and analysis and local public participation requirements and expectations.	Above Mandate Level	Meets Board Level	100% General Fund	Reduced funding would necessitate reduction in the LOS from BoCC/community expectations of a level above State required minimums for State required activities, including community involvement and responsiveness to community expectations and needs. Statutes include potential sanctions for failure to comply with State mandated Comprehensive Plan requirements. Depending upon BoCC priorities there could be a need to be cutback Comp Planning participation in activities such as intergovernmental coordination and review of annexations under the BAA, and other County program activities and support for advisory committees and as described.
Growth Management	Comprehensive Planning	Development Services	Administers both the Zoning Application Review and Development Review Processes (including Developments of Regional Impacts and other large scale development proposals), contractual services to municipalities, disaster recovery planning, assistance to emergency support functions, provides information to the public, provides support for the Planning Commission, reviews privately initiated Comprehensive Plan amendments, updates, maintains and implements the Unified Land Development Code.	8.5	State; Local	FSS 163 ULDC	Mandatory	Required per Florida Statutes, the Alachua County Comprehensive Plan and the Alachua County Code, no minimum staff or resource requirements identified. Scope of Land Development Regulations at the local government's prerogative. Must meet minimum notice and public hearing requirements of the State and County Code.	Above Mandate Level	Meets Board Level	100% MSTU & Fees for Services	The county has adopted high quality development standards that exceed the State minimum requirements. A reduction in the resources devoted to these functions would require re-evaluation and reconsideration of Comprehensive Plan policies and land development regulations such as subdivision standards, stormwater design, natural and historic resources, open space, activity center, Traditional Neighborhood and Transit Oriented Development Design and special area plans that are not required by state statute. Staff reduction correlates to a direct reduction in level of service to the public in land use and land development application processing and would hinder the ability to provide contractual services to municipalities.
Growth Management	Comprehensive Planning	GIS	Development, maintenance and public distribution of geographic data as well as development and maintenance of online building permit, building inspections, codes enforcement and other data tools.	3	State; Local	ULDC, FSS Ch125, Ch163, Ch 468	Mandatory	Provide support systems of mandated programs. Maintain zoning and land use maps. Maintain building permit and codes enforcement data. Develop and maintain online mapping applications for internal and external customers. Create hardcopy maps for internal and external customers. Maintain Growth Management information technology, servers and resources.	Meets Mandate Level	Meets Board Level	45% General Fund 45% MSTU and 10% Fund 410	Failure to comply with Florida Statutes and County regulations related to public notification. Failure to maintain required data and analytical tools supporting the Alachua County Comprehensive Plan and Unified Land Development Code. Failure to provide necessary data and recordkeeping tools to state mandated building permit and County mandated codes enforcement functions. Failure to provide accurate geographic data to internal and external customers (other County departments, citizens, realtors, developers, engineers, etc).
Growth Management	Comprehensive Planning	Housing Programs	State Housing Initiatives Partnership (SHIP): The SHIP Program is a state funded affordable housing program designed to create partnerships that produce and preserve affordable homeownership and multi-family housing. Prior to 2009, Alachua County received over \$1,000,000 every year in SHIP funds. Alachua County was awarded \$185,000 in SFY 2012. No SHIP funds will be awarded by the State of Florida to any local government in SFY 2013. When funded, SHIP loans are used to assist income eligible households to obtain and maintain affordable housing. There is an ongoing need for SHIP loan servicing such as providing pay-offs, mortgage satisfactions, loan subordinations, as well as expenditure of proceeds from mortgages being paid off when a home financed by SHIP is sold to another buyer and the remainder of the note due is paid.	0.5	State	FSS 420.9072	Mandatory	Expend funds in compliance with all local and state program requirements.	Meets Mandate Level	Meets Board Level	100% SHIP (State of Florida)	SHIP was not funded in SFY 2011, was modestly funded in SFY 2012, and was allocated no funding by the State Legislature in SFY 2013. Fewer households will be able to be assisted with down payment assistance, home repairs, foreclosure intervention, and other affordable housing related needs.

# Growth Management

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Growth Management	Comprehensive Planning	Housing Programs	Community Development Block Grant (CDBG): Alachua County receives CDBG funds from the State of Florida's Department of Economic Opportunity (DEO) on a competitive basis for awards up to \$750,000. CDBG funding for Housing Rehabilitation is used to make substantial home repairs, and in some cases, to replace substandard housing stock in Alachua County. Neighborhood Stabilization Program (NSP) - Alachua County is completing a \$2.9 million grant to acquire and rehab foreclosed homes in neighborhoods distressed by high foreclosure rates. To date, 20 foreclosed homes were purchased. Additional homes are being purchased using the new proceeds from the sale of NSP homes. Alachua County was also awarded a grant in the amount of \$1,029,844 for Neighborhood Stabilization Program 3.	2	Federal; State	HUD/DEO	Discretionary	N/A	N/A	Meets Board Level	100% CDBG - Federal funds that are allocated to the State of Florida. 100% NSP Federal funds are allocated to the State of Florida. Net proceeds from sale of NSP homes are used to buy and rehab additional foreclosed homes.	General funds are used for application related expenses as well as to fund staff overseeing CDBG. This includes oversight of the application process, contract preparation and processing, and consultant procurement process. Staff also functions as a liaison with the CDBG Advisory Task Force aka AHAC. Should general funding be reduced for staff, coordination and oversight of CDBG would be greatly diminished. This could potentially result in a failure to procure CDBG awards in future grant applications. General Funds are used to oversee implementation of NSP 1 and NSP 3, interfacing with the grant consultant, the BoCC, Finance and Accounting, OMB, Risk Management, County Attorney's Office, as well as private sector partners. Monthly on-line reports are required, including tracking the revenue and expenditures of program income. Should general funds be reduced, the Board may no longer remain in compliance with grant regulations which could result in repayment of grant funds back to DEO.
Growth Management	Comprehensive Planning	Housing Programs	County Funded Programs: Alachua County Housing Finance Authority - Housing provides staffing for the Alachua County Housing Finance Authority. In addition to the liaison responsibilities to this board, Housing staff coordinate manage the invoicing and collection of annual administration fees earned by the Housing Finance Authority from developers who have participated in Multi-family Mortgage Revenue Bond Issues. Housing Staff implement the affordable housing programs in the Alachua County Housing Finance Authority Housing Assistance Plan. Emergency Home Repairs and Down Payment Assistance Programs for very low and low income households are administered by housing staff. A portion of one staff member is paid from these funds. Impact Fee Assistance Alachua County provides funding for the cost of impact fees for income-eligible homebuyers. Funding is provided as a 0% interest, soft second mortgage, forgiven over a five year term. Households receiving assistance must be income-eligible, and intend to own and occupy the unit as their principal residence. The Impact Fee Assistance Program fills a gap in community need, particularly those purchasing or moving mobile homes. Adult children are able to care for their aging parents by using the program to place mobile homes on their property in conjunction with a hardship variance granted for that purpose. Also, very-low and low- income homeowners replacing their deteriorated, uninhabitable mobile units with site built homes access these funds.	0.5	Local	BoCC and ACHFA	Discretionary	N/A	N/A	Meets Board Level	Fund 850 ACHFA and General Fund	As annual administration fees are expected to be invoiced and collected for the next 5 to 10 years, the Alachua County Housing Finance Authority has an obligation to continue its function for many years to come. Reductions in funding for these programs may be detrimental to elderly and low income families who can only afford to purchase a manufactured home and lack the resources to pay for the impact fee. The General Fund is the only funding available to assist in payment of impact fees.
Growth Management	Comprehensive Planning	Transportation Planning/Concurrency/Impact Fees	Development and administration of the County's Impact Fee Ordinance and Multimodal Transportation Mitigation Program. Planning and programming of transportation projects for the Capital Improvements Program. Development and administration of the County's concurrency management program. Review of Comprehensive Plan amendments, zoning applications and development plans for transportation impacts and required transportation facilities. Represent Board's policies and priorities during the development of the MTPO's Long Range Transportation Plan and Transportation Improvements Program. Represents County on the Bicycle/Pedestrian Advisory Board and MTPO Technical Advisory Committee.	2	Federal; State; Local	Federal: SAFETE-LU Transportation Authorization; State: FSS 125 & 163; Local: ACC Comp Plan & ULDC and Impact Fee Ordinance	Mandatory	Required by Florida Statutes, the Alachua County Comprehensive Plan and Unified Land Development Code. No minimum staff or resources identified	Meets Mandate Level	Meets Board Level	MSTU and Impact Fee Admin.	Inability to manage or administer Impact Fee Ordinance or Multimodal Transportation Mitigation Program. Inability to review Comprehensive Plan amendments, zoning applications or development plans for consistency with local Comprehensive Plan, Land Development Code or State statute for transportation concurrency, capacity or required facilities. Inability to implement or update County Capital Improvements Program. Lack of County representation during development of the Long Range Transportation Plan or Transportation Improvements Program.

Information & Telecommunications Services	Network Services	ITS Infrastructure	Provide support services for computer hardware, software, and systems networks services. Supports the computer system for the BOCC departments (including E-mail systems, Data storage, Data Backup and Disaster Recovery, server administration and support) and network infrastructure for the Constitutional Officers.	7	State	282.602	Mandatory	N/A	N/A	Below Board Level	100% General Fund	Data systems will not be properly maintained, resulting in extended system outages for BoCC and Courts, State Attorney, Public Defender and Constitutional Offices. Limited or no support of infrastructure for EOC disasters. Business Continuity would be severely impacted with Countywide systems restoration being estimated in days instead of hours.
Information & Telecommunications Services	Network Services	Desktop PC - Hardware Support	Responsible for integrating all aspects of information technology networks, data infrastructure and desk top computer support to assure the highest level of systems availability to the Board of County Commission departments. The team provides the installation and maintenance of all PC hardware and software applications for over 2400 computer nodes (connections) which includes PC's, servers, printers, faxes and network copiers. The Network team also oversees the delivery of 100,000+ e-mails within the County on a daily basis provided by 112 data switches and routers in 30 locations throughout the County.	7	State	282.602	Mandatory	N/A	N/A	Meets Board Level	100% General Fund	Reductions in funding will cause the elimination of maintenance contracts for equipment utilized to support all aspects of daily business functions for the BoCC departments (i.e.; E-Agenda, Document Management, and E-Mail). The elimination of equipment maintenance will impact business processes by causing longer repair times. Increase in equipment downtime will result in reduction of citizen interaction on the County's electronic services and lower employee productivity.

# Information and Telecommunication Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Information & Telecommunications Services	Network Services	Help Desk	Responsible for handling over 6,000 customer support calls on an annual basis regarding network and infrastructure service issues. Respond to customer service requests pertaining to all computer (hardware and software) and telephone matters throughout County government. The team interfaces with all Board departments and Constitutional Offices. They also provide support to the network staff during installation of new equipment and operating systems.	4	State	282.602	Mandatory	N/A	N/A	Meets Board Level	100% General Fund	On-site Customer Service would be severely reduced or eliminated. About 91% of all calls are solved at the help desk. Elimination of the Help Desk would require dispatching of services to outside vendors and would greatly increase costs, response time and extend problem resolutions. All business processes would be greatly affected.
Information & Telecommunications Services	Network Services	Computer Operations	Provide operations support 8 hours a day for all applications, in particular, the internal systems for the Clerk's Finance and Accounting office and the Court Traffic and Jury systems. The Operations area produces payroll, jury and business checks. In addition, Operations provides backup services and restoration of the data for these processes. The operators provide back-up for system upgrades, patches to all servers, monitor physical security for the computer rooms and all areas of IT.	2	State	282.602	Mandatory	N/A	N/A	Meets Board Level	100% General Fund	Services would be eliminated in processing financial reports, purchase orders and checks for payroll. Processes for F&A and Purchasing would need to be redeveloped or outsourced. Data would no longer be backed up for the Financial, Traffic and Jury systems for disaster recovery and business continuity.

# Non-Departmental Services

Department Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Non-Departmental	Non-Departmental - Debt Service	Debt Service Management	Used to record budget, liabilities, and payment of principal and interest related to the long term debt.	AT	State	Florida Statutes and Generally Accepted Accounting Principles require separate accounting and budgeting practices for debt service related transactions.	Mandatory	Funding resources required may vary based upon the issued debt. There is no minimum requirement for staff resources.	Above Mandate Level	Meets Board Level	Bond and Loan Proceeds typically repaid thru Gas Tax, 1/2 Cent Sales Tax Share, Local Infrastructure Surtax and other non-ad valorem resources. However, the County is currently repaying debt related to the Alachua County Forever land conservation program and is funded by a voter approved millage rate of .25 mills.	County would enter into default, negatively impacting further bond availability and negatively impacting current bond rating.
Non-Departmental	Non-Departmental - Special Expense	Special Expense - Discretionary	Accounts for expenditures which are not easily connected to a specific department or program. This budget is administered by the OMB staff thru the County Manager. It includes such expenditures as the federal lobbyist; national organization membership fees; e-Civis Grant Locator Tool; bank fees; employee recognition program; audio visual equipment replacement; municipal code management (ordinances); financial advisors and special audit costs.	AT	N/A	N/A	Discretionary	OMB staff budget and manage these accounts based on direction from the Board and estimates from the County Manager and Finance & Accounting. No minimum level of budget is required.	N/A	Meets Board Level	100% General Fund	Impacts vary based on items selected for reduction. Reductions could impact employee recognition program; use of expert consulting services; access to grants information for the county departments, non-profits and municipalities; knowledge sharing and training from national organization; representation of the County interests at the federal level; and replacement of audio visual equipment for Channel 12.
Non-Departmental	Non-Departmental - Special Expense	Special Expense - Mandated	Accounts for expenditures which are not easily connected to a specific department or program. This budget is administered by OMB thru the County Manager. It includes expenditures such as unemployment compensation costs, Cost Allocation Plan, the external auditor, Affordable Housing Impact Fee Assistance, the Value Adjustment Board attorney, TRIM notice mailings, inmate medical costs, and legal document filing fees.	AT	Federal; State; Local	Federal requirements for biennial cost allocation plans. Florida Statutes require payment of inmate medical costs, TRIM notice costs, external auditors, Value Adjustment Board and unemployment compensation. Local requirements for legal document filings.	Mandatory	OMB staff budget and manage these accounts based on direction from the Board and estimates from the County Manager and Finance & Accounting. Current level of funding meets minimum requirements.	Meets Mandate Level	Meets Board Level	100% General Fund	Non compliance with mandated requirements could result in loss of Federal grant funds and litigation from property owners. Reduction or elimination of funding could also result in delayed recognition of accounting issues and loss of revenues.
Non-Departmental	Non-Departmental - Special Expense	Tax Collector Fees	Fees due to the Tax Collector for collection of ad valorem revenues based on millage rate and property values for Board of County Commissioners and School Board.	AT	State	Florida Statute 192.091	Mandatory	Fee calculation set by Florida Statutes based on adopted millage rates and taxable property values for Board of County Commission and School Board.	Meets Mandate Level	Meets Board Level	100% General Fund	Non compliance with mandated requirements.
Non-Departmental	Non-Departmental - Special Expense	Economic Development	Accounts for expenditures which are not directly related to a specific department or program. This budget is administered by OMB. It includes expenditures related to Affordable Housing Impact Fee Assistance, Community Redevelopment Areas (CRA) and Qualified Target Industry (QTI).	AT	State; Local	Various	Mandatory	OMB staff budget and manage these accounts based direction from the Board and estimates from the County Manager. Current level of funding meets minimum requirements.	Meets Mandate Level	Meets Board Level	100% General Fund	Reduction in funding could result in loss of economic incentives for redevelopment projects, relocation of small businesses and reduction in higher paying jobs supporting these projects.

Public Works	Administration	N/A	<p>The Public Works Administrative Services Division is responsible for coordinating the financial and strategic plan for the five divisions of the Public Works Department. The Department has two hundred, 223.50 FTE's. The Division is responsible for the fiscal oversight of the Department's budget, financial planning, accounts receivable, accounts payable and payroll. Responsibilities also include security, facilities management and the warehouse management.</p> <p>Staffing: Public Works Director (1), Sr. Admin. Support Manager (1), Sr. Admin. Assist. (1), Admin. Assist. (1), Fiscal Assistant (5), Warehouse Manager (1), Stock Clerk (1), Sr. Staff Assistant (1), and Sr. Office Assistant (1)</p>	13	N/A	N/A	Discretionary	N/A	Meets Mandate Level	Meets Board Level	21.58% General Fund 9.54% MSTU 3.08% MSBU 33.96% Gas Tax 15.92% Solid Waste 4.62% Coll Center Assess 6.15% Waste Mgt Assess 5.15% Fleet Management ISF	Each Division would have to operate independently as a department and report directly to the County Manager or his designee. There would be a loss of consistency, continuity, and operational efficiency in the administrative process, which would result in each division taking on the responsibility of budget development/monitoring, payroll, accounts payables and other administrative duties. This would also increase the number of reports to the County Manager which would be detrimental to effective and efficient productivity.

Public Works	Animal Services	Animal Services Administration	<p>The Director and Supervisors are responsible for leadership and direction of the Animal Services Division by supervising and coordinating the activities of subordinate employees. This includes, but is not limited to, determining work procedures and schedules, issuing instructions and assigning duties, reviewing work, recommending personnel actions, conducting performance reviews, and conducting departmental training and orientation.</p> <p>Staffing: Director (1), Shelter Operations Supervisor (1), Field Operations Supervisor (1), and Administrative Coordinator (1)</p>	4	Federal; State; Local	USDA Title 9, Part 3. FSS 372, 386, 585, 588, 705, 707, 767, 817, 823, 828, 877. FL Administrative Code 62-296.401. Alachua County Code Chapter 72, Comp Plan	Mandatory	(1) Oversees animal issues during a disaster. (2) Oversees enforcement of Alachua County Code Chapter 72. (3) Oversees interlocal agreements with all jurisdictions.	Meets Mandate Level	Meets Board Level	100.00% General Fund	Due to mandated requirements, the program would have to continue. Therefore, leadership and direction of overall program would need to be re-assigned to Department Director and/or local law enforcement. Public health and safety would be compromised without the enforcement of laws and ordinances requiring rabies vaccination, animal licensure, stray animal prohibitions, and bite animal quarantine. The protections currently in place which promote and ensure animal safety, protection, and humane treatment would be eliminated.
Public Works	Animal Services	Animal Services Shelter Operations	<p>Kennel staff provides humane care and treatment for lost, abandoned or stray animals that the shelter receives on a daily bases. These animals must be humanely sheltered and cared for, for a minimum of three (3) working days to afford the owners the opportunity to reclaim their pets. Animal Services receives over 6,000 animals annually which are sheltered on average of 11 days for dogs and 9 days for cats. Vet staff is responsible for medical examination, vaccination and treatment of sheltered animals, as well as surgical sterilization of adopted and reclaimed companion animals. Front Desk Staff receives animals from and returns animals to the public, answers all incoming calls, processes rabies vaccination certificates, issues animal licenses, and adopts animals to the public. Adoption staff is responsible for the adoptions of un-reclaimed and/or unwanted animals. Alachua County Animal Services is part of a collaborative community partnership involving five (5) animal welfare organizations in an effort to end the euthanasia of, and guarantee homes for, all healthy and treatable dogs and cats received at the shelter. This is a ten-year project with anticipated goal achievement by July, 2012. The animal welfare organizations receive a (variable) cash stipend from outside private sources for animals transferred from the shelter for adoption. All animals must be spayed or neutered according to Florida Statute 823.15.</p> <p>Staffing: Kennel Techs - Animal Shelter Assistants (7), Vet Techs - Animal Technicians (3), Front Desk Staff - Senior Office Assistants (3), Adoption Staff - Senior Office Assistants (2), and Accounting Clerk (1)</p>	16	Federal; State; Local	BoCC Resolution 01-125 USDA Title 9, Part 3. FSS 372, 386, 585, 588, 705, 707, 767, 817, 823, 828, 877. FL Administrative Code 62-296.401. Alachua County Code Chapter 72, Comp Plan	Discretionary	<p>Kennel Staff:</p> <p>(1) Provide care for stray, abandoned, homeless, quarantined and dangerous animals.</p> <p>Veterinary staff:</p> <p>(1) Administer rabies vaccinations. Animals must have a current rabies vaccination when reclaimed at the animal shelter.                      (2) Provide medical expertise for animal cruelty investigations.                      (3) Provide medical care for shelter animals that are sick or injured.                      (4) FSS 823.15 requires the sterilization of dogs and cats when released for adoption.</p> <p>Front Desk Staff:</p> <p>(1) Maintain licensing database to monitor rabies vaccination compliance.                      (2) Process paperwork for animals requiring quarantine.                      (3) Respond to citizen inquires.</p> <p>Adoption Staff:</p> <p>(1) Provide for adoption of animals as a potential solution to euthanasia.</p>	Meets Mandate Level	Meets Board Level	100.00% General fund	<p>If reduced by 1 FTE Animal Shelter Assistant: Close the shelter to owner surrendered animals, OR close the shelter to stray cats because the law does not require response to stray cats. Significant increase in unaltered feral cats. Elimination not possible without violating State Statutes regarding housing of dangerous dogs. If reduced by 1 FTE Animal Technician: Reduction of medical care provided to stray and abandoned animals AND reduction of spay/neuter surgeries (reducing adoption potentials). If veterinary staff eliminated: Due to mandated requirements, Animal Services would have to transport out to local veterinarians to perform emergency medical procedures and spay/neuter surgery for adoptions. No veterinary oversight of Shelter animal care. If reduced by 1 FTE Senior Office Assistant: Reduce the hours of operation of the Animal Shelter by 10 hours per week OR eliminate pet adoption program, lose 828 adoptions per year; significantly increase euthanasia. If reduced by .5 FTE Senior Office Assistant: Eliminate rescue coordination and lose an additional 329 adoption/transfers per year; increase euthanasia. Elimination of Front Desk and Adoption staff would close the shelter to the public except by appointment with field staff. Expected loss of licensing revenue would be approximately \$164,000. Elimination of Accounting Clerk would result in staff increases elsewhere to complete tasks now performed by this position.</p>

# Public Works

Dept. Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Public Works	Animal Services	Animal Services Field Operations	Field Officers and Investigators provide: Emergency response in matters of public safety and health; Enforcement of Federal, State and Local animal laws and regulations regarding licensing, registration and identification of companion animals; Investigation of animal cruelty and abuse concerns and related court testimony/action; Public Education and Community Outreach regarding animal control and animal welfare issues and concerns; Promulgation of local ordinances dealing with animal control and/or animal welfare; Inspections of business enterprises that sell, show, or display animals. Senior Office Assistant receives requests for service and coordinates efficient distribution among Field Officers according to priority; receives bite reports and arranges response according to State Law. Staffing: Animal Services Officers (10), Animal Services Investigators (2) and Senior Office Assistant (1)	13	State; Local	USDA Title 9, Part 3. FSS 372, 386, 585, 588, 705, 707, 767, 817, 823, 828, 877. FL Administrative Code 62-296.401. Alachua County Code Chapter 72, Comp Plan	Discretionary	(1) Chapter 72.05 designates Animal Services as the county agency responsible for carrying out the provisions of the chapter. (2) FSS 767.12 states that "an animal control authority shall investigate reported incidents involving any dog that may be dangerous..."	Meets Mandate Level	Meets Board Level	100.00% General Fund	If reduced by 1 FTE Animal Services Officer: Animal Services stops responding to requests for service involving wildlife, OR Animal Services stop responding to cat related requests for service because the mandates do not require stray cat response. Feral cat populations would increase.  Elimination of this program would require, due to the State requirement to protect the public from dangerous dogs, that these duties and responsibilities be reassigned to the regular duties of the local law enforcement without extra funding.
Public Works	Animal Services	Animal Services Humane Education	Public Education and Community Outreach on animal control and animal welfare issues and concerns; responsible for Paws on Parole program, school reading program, adoption events, and volunteer opportunities within the Division. Staffing: Public Education Program Coordinator (1)	1	Local	Alachua County Code Chapter 72, Comp Plan	Mandatory	Chapter 72.06 humane education: 'accordance with this duty, animal services shall make adequate provision for conducting appropriate educational programs.'	Meets Mandate Level	Below Board Level	100.00% General Fund	If this position is eliminated, the County would lose one of the critical elements in creating a humane community. Pet owner education is an important program in attempting to create responsible pet owners. This would cause a significant decrease in volunteer hours that help to run all areas of animal services as well as a decrease in the number of adoptions due to less public awareness and loss of offsite adoption events; decrease in spay/neuter resulting in increase of stray and abandoned pets.

Public Works	Fleet Management	Maintenance and Repair Operations	Fleet Maintenance and repair. The Fleet maintenance operations provides vehicle and equipment repair and maintenance for county departments, other external customers, and support for emergency events. Staffing: Fleet Supervisors (3) and Fleet Technicians (8)	11	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100.00% Fleet Management Fund Internal Service Fund	Fleet Management shop labor rate has consistently been 17% to 40% below other shops with the same capabilities. A survey of other shop labor rates is conducted twice annually to ensure fleet is competitive. Any reduction would result in the charges to the fleet user departments to rise due to having private contractors perform fleet maintenance and repairs (that fleet has consistently shown to be below their labor rate). The county fleet would experience more downtime and less dependability, due to reduced service levels of maintenance.
Public Works	Fleet Management	Vehicle & Equipment Replacement Funds	Vehicle Replacement Fund, and Gas Tax Vehicle Replacement Fund. These vehicle and equipment replacement funds are to ensure the availability of funds for the future replacement of Fleet vehicles and equipment when their economical life is up.	AT	N/A	N/A	Discretionary	N/A	N/A	Meets Board Level	100% Vehicle/Equipment Replacement Funds	A reduction or elimination of the vehicle and equipment replacement funds would escalate fleet ownership costs by not having the funds available to replace the fleet vehicles and equipment when its useful life is up (before major repairs are needed). Other impacts on the fleet would be fuel usage (that would rise due to older less fuel efficient vehicles and equipment in the fleet), excessive downtime due to an aging fleet and budget fluctuations year to year as some years require more Fleet Replacement purchases than others.

Vegetation management for smooth recovery area/sight distance (18" max vertical height at all intersections for sight distance).</li> <li>3. Structural inspection (2 yrs) on bridges and drainage structures.</li> <li>4. Immediate response to missing stop signs and non-functioning signals.</li> <li>5. Immediate repair or correction of any situation that provides an immediate or unexpected hazard to the public (Edge-of-pavement drop-offs, potholes, low-hanging tree limbs, washouts, etc.).</li> <li>6. Inspection and maintenance of pedestrian pavements, crossings, etc. with emphasis on meeting ADA standards.</li> <li>7. Grade all unpaved roads on a cycle that meets safe standards for smooth surface, visibility, and sight distance (max 2 weeks for high volumes).</li> <li>8. Use alternative methods of maintaining graded roads when volumes are too high.</li> </ol>	Below Mandate Level	Below Board Level	100.00% Gas Tax	<p>Currently significantly below annual funding needed to meet regulatory requirements. Cuts would increase current deficiency and result in additional problems associated with vehicular loss of control, visibility, erosion &amp; sediment control, driver conflicts, bike/ped safety, and airborne particulate matter. Increased occurrences of this nature will increase the County's liability and result in additional claims brought forward.</p>
Public Works	Transportation	Pollutant Discharge and Flood Mitigation	<p>The Road &amp; Bridge Division performs the following mandated functions related to meeting the requirements of its State NPDES permit: Litter and debris removal from rights-of-way; Right-of-way mowing; Ditch &amp; basin cleaning, permitting, and erosion &amp; sediment control; Tree trimming in drainage areas (swales, ditches and basins)</p> <p>Staffing: Civil Engineer II (1), Assistant Road Superintendent (1), Maintenance Supervisor I (2), Equipment Operators (3), Laborers (2)</p>	9	Federal; State; Local	Federal Clean Water Act, NPDES, ACCP Storm water Element, AC Code Sect. 21.60	Mandatory	<ol style="list-style-type: none"> <li>1. Develop a Stormwater Master Plan for County.</li> <li>2. Mow R/W every 8 weeks - April through November.</li> <li>3. Litter/Debris removal ahead of mowers and as needed.</li> <li>4. Trim vegetation in ditches and swales every 5 years.</li> <li>5. Clean roadside &amp; outfall ditches every 5 years.</li> <li>6. Sweep curb &amp; gutter streets every 60 days</li> <li>7. Clean storm drains as needed.</li> <li>8. Replace culverts as needed.</li> </ol>	Meets Mandate Level	Meets Board Level	100.00% Gas Tax	<p>Currently meeting the minimum requirements of the NPDES permit. Further funding is required to meet new unfunded mandates. Any further reduction in level of service will result in occurrences of non-compliance with the permit. Each occurrence of non-compliance carries fines of up to \$10,000 per day until corrected and possible personal liability for the County Engineer, including imprisonment.</p>

# Public Works

Dept. Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Public Works	Transportation	Emergency Response	First response in disasters, event control, and debris disposal. The Division is responsible for management of emergency operations relating to transportation, public works, and energy. All crews and personnel are trained and ready for emergency situations and Road & Bridge equipment and resources are loaned to other agencies as needed. Keep in mind, no emergency service vehicle (Fire/rescue, sheriff, etc.) can pass until roadways are cleared of debris by Road & Bridge personnel.	AT	State; Local	FSS 336.045, FGB Ch. 10, AC Code Sect. 21.60	Mandatory	1. Provide a well-equipped, trained staff to be used as a first responder in emergency situations. 2. Provide immediate assistance in any activity during emergency response operations. 3. Provide 24/7 on-call staff support for emergency response.	Meets Mandate Level	Meets Board Level	100.00% Gas Tax	It would reduce the ability to respond to requests for public support during emergencies, road clearing & repair, flood mitigation, and debris disposal. Reduction in service levels will potentially increase loss of life and property in the event of an emergency.
Public Works	Transportation	Engineering	Provides professional engineering support on County functions, including but not limited to: Transportation planning, traffic operations, roadway design, storm water system design, permitting and compliance. Provides long-range transportation planning; Prepares grant applications; Coordinates the Alachua County Transportation Needs Plan update; Coordinates the submittal of projects to the FDOT District 2 Work Program; Provides customer support, Represents the Department at MTPo functions; Reviews and certifies that all record plats are compliant with technical standards; Performs all services necessary to acquire land and land rights for all County Departments; Reviews and processes all applications for plat vacations or street closings; Provides GIS support; Maintains roadway and facilities inventory and as-built files and collects and compiles vehicle crash report data; Performs traffic speed studies; Administers the County traffic calming program; Performs design, permitting and contract management for transportation projects.  Staffing: County Engineer (1), Sr. Engineering Technician (1), Civil Engineer I (1), Civil Engineer II (1), Contracts and Design Manager (1), Program Coordinator (1), and GIS Specialist (1)	7	State; Local	FSS 336.045, FSS 125, FGB Ch. 10, ACCP Transportation Mobility Element, AC Code Sect. 21.60, AC Guiding Vision	Mandatory	1. Plan, design, and construct transportation projects in full compliance with Chapters 3-17 of the FDOT "Manual of Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways." 2. Promote a comprehensive transportation planning process which coordinates state, regional, and local transportation plans. 3. Provide professional engineering advice on road programs.	Below Mandate Level	Below Board Level	100.00% Gas Tax	Currently below annual funding needed to meet regulatory requirements. Cuts would increase current deficiency and would result in additional problems for clear zone/sight distance maintenance, SW pollution & flood prevention, road safety and inhibit the County's ability to provide in-house surveying services for all County Departments. Cuts will increase the likelihood of crashes, reduce motorist and pedestrian safety, and increase congestion.
Public Works	Transportation	Public Transportation	Bus service to unincorporated county residents.	AT	Local	ACCP Transportation Mobility Element, AC Code Sect. 21.60	Discretionary	Promote the enhancement of transit through the Livable Community Reinvestment Plan implementation process.	Meets Mandate Level	Meets Board Level	100.00% Gas Tax	Cuts would reduce the alternatives to personal vehicles and increase traffic.
Public Works	Transportation	Development Review	Provides engineering support by performing reviews of paving and grading improvements associated with proposed developments; determines flood zone and flood hazard areas and evaluates infrastructure needs. Administers development regulations for land subdivisions, private site development, storm water management, access management and flood plain management. Makes recommendations to the Development Review Committee on issues regarding transportation concurrency, storm water, parks and solid waste issues and provides technical expertise to issues regarding comprehensive land amendments and rezoning requests. Makes recommendations to the Board of Adjustment on zoning variances and subdivision regulations. Reviews and issues commercial access, paving and drainage improvement permits; flood prone area permits. Provides flood information and assistance to the public upon request. Provides pre-application screening for all building permits.  Staffing: Development Review and Emergency Response Manager (1), Civil Engineer III (1), Sr. Engineering Technician (1), Engineering Technician (1) Staff Assistant (2)	6	Local	Comprehensive Plan and Unified Land Development Code	Mandatory	1. Review of development applications within timeframes established in County-wide development review process 2. Process plats within 5 working days 3. Respond to requests for flood insurance zone information 4. Perform pre-application screening for building permits within 2 working days	Meets Mandate Level	Above Board Level	100.00% MSTU	Elimination of this program would eliminate the ability to support the Comprehensive Plan and Unified Land Development Code. As a service to the citizens of the County, we provide flood insurance zone information in support of the National Flood Insurance Program. With staff reductions, we would no longer be able to provide this information which may affect the County's rating in the Community Rating System of the National Flood Insurance Program, which could result in a flood insurance rate increase for County residents. There would need to be modifications in the Development Review process and possible changes in the Comprehensive Plan and Unified Land Development Code to reflect staff ability to enforce necessary regulations.

Budget Total for Division									\$	10,815,003	\$	10,446,427	
Public Works	Waste Management	Transfer Station	Provides disposal capacity for the entire county, through transfer operation and hauling to out-of-county landfill. Provides for recycling of vegetative wood waste, pallets, waste tires, scrap metal and appliances. This site will be future site for a materials recovery facility and a resource recovery park. Also produces revenue from the sale of recyclables.  Staffing: Transfer Station Manager (1), Assistant Trans Station Manager (1), Staff assistant (1), Sr. Staff Assist. (1), Solid Waste Operators (3), Drivers (9), Weigh master (2), and Equip. Opr (2)	20	State; Local	FSS Ch. 403 FAC 62 Comp. Plan	Mandatory	State statute requires county governments to provide clean efficient solid waste disposal capacity for all waste generated in the County. State statute also requires County governments to provide for recycling. Also collects recycling of tires, wood waste, pallets, metals, clothing, containers, fiber which contribute to the state mandated 75% recycling goal.	Meets Mandate Level	Meets Board Level	100.00% Solid Waste	Will be out of compliance with Florida Statutes, Comp. Plan, and County Code. Valuable resources would not be recovered for reuse and recycling.	
Public Works	Waste Management	Curbside Collection	Provides solid waste, recycling, yard waste, bulk and white good collection in unincorporated curbside area. Provides support for system changes for the state mandated 75% recycling goal. Provides annual Full Cost Accounting and filing requirements. Enforcement of Chapter 75 of the Alachua County Code of Ordinances, especially those sections related to the volume-based collection system. Provides disaster debris management in the event of a natural or man-made disaster.  Staffing: Waste Collection Manager (1), Waste Collect Prg Coord. (1), Waste Collection Insp (2), Assessment Tech (.5), Sr. Office Assist (1) and Staff Assistant (2)	7.5	State; Local	FSS Ch. 403, 162 ACC Ch. 75 FAC 62 Comp. Plan	Mandatory	Collect solid waste once a week. Annually publish full cost of all waste management activities under jurisdiction of County government. State mandates a 75% recycling goal by the year 2020.	Meets Mandate Level	Meets Board Level	88.34% MSBU 2.73% Coll Center Assess 8.93% Waste Mgt Assess	Will be out of compliance with Florida Statutes, Comp. Plan, and County Code. Scattered trash and garbage leading to safety issues and to health concerns (ex. increased vermin). Volume of complaint calls to the Commission would be excessive.	
Public Works	Waste Management	Rural Collection Centers	Provides for environmentally sound disposal sites for rural residents to drop off solid waste, recycling and Household Hazardous Waste.  Staffing: Collection Center Supervisor (1), Rural Collection attendants (10), Drivers (3), and On call attendants (3-not in count)	14	Local	ACC Ch. 25	Mandatory	Provide sites where residents without curbside collection can drop-off garbage and recycling. State mandates a 75% recycling goal by the year 2020.	Meets Mandate Level	Meets Board Level	0.04% Solid Waste 99.96% Coll Center Assess	Will greatly increase illegal dumping, scattered trash, and garbage leading to safety issues and health concerns (ex. Increased vermin). The volume of complaint calls to Commissioners would be excessive.	
Public Works	Waste Management	Special Assessments	Develops or assists other departments in developing Alachua County's non-ad valorem assessments. Accurately maintains all of these assessments, within deadlines and requirements of Chapter 197, Florida Statutes.	AT	State; Local	FSS Ch.197 ACC Ch. 75 Comp. Plan	Mandatory	Meet all statutory deadlines and requirements for imposing non-ad valorem assessments.	Meets Mandate Level	Meets Board Level	88.34% MSBU 2.73% Coll Center Assess 8.93% Waste Mgt Assess	Will be out of compliance with Comp. Plan and County Code. County would not collect non-ad valorem assessments. In FY10-11, this revenue was approx. \$9 million.	

# Public Works

Dept. Name	Division Name	Program Name	Description	FTE	Federal/ State/ Local	Authority	Mandatory/ Discretionary	Minimum Quantifiable/ Qualitative Level of Service Required by Authority	Level of Service (LOS) - Mandate	Level of Service (LOS) - Board	Funding Source	Consequences of Reduced or Eliminated Funding of this Program or Service
Public Works	Waste Management	Waste Alternatives	Comply with the solid waste management and recycling report requirements of the Florida Department of Environmental Protection (FDEP). Reach a 75% recycling rate by the year 2020 through the use of public education, outreach, and enforcement. Educational programs and outreach shall focus on ways to reduce the amount of waste being disposed of in Alachua County and the positive effects of that reduction. Enforcement is of the Mandatory Commercial Recycling ordinance with the goal of full compliance by the year 2020. Additionally, manage the waste reduction programs in all County offices and the commercial solid waste collection franchises. Staffing: Waste Alternatives Manager (1), Recycling Program Coordinator (1), Public Education Coordinator (1), Waste Alternative Specialist (3), Assessment Technician (.5), Code Enforcement Officer (1), Equipment Operator II (1)	8.5	State; Local	FSS Ch. 403; FAC 62; ACC Ch. 75; Comp. Plan	Mandatory	*Comply with the solid waste management and recycling report requirements of the FDEP. (FAC 62-722.600, ACC Sec. 75.502) *Reach a 75% recycling rate by the year 2020. (FSS 403.7032, Comp. Plan Solid Waste Element 1.5.2, ACC Sec. 75.304) *Enforce the Mandatory Commercial Recycling ordinance. (Comp. Plan Solid Waste Element 1.5.4) *Manage solid waste collection franchises. (ACC Sec. 75.502, ACC Sec. 75.604) *Maintain recycling and waste reduction programs in all County offices. (Comp. Plan Solid Waste Element 1.5.5) *Promote waste prevention, source reduction, re-use, recycling, the purchase of goods made from recycled materials, composting, and pollution prevention through public education programs. (Comp. Plan Solid Waste Element 1.5.7)	Meets Mandate Level	Meets Board Level	5.00% MSBU 5.30% Solid Waste 1.47% Coll Center Assess 88.23% Waste Mgt Assess	Will be out of compliance with Florida Statutes and Codes as well as the Alachua County Codes and Comp. Plan. Will increase disposal costs and contribute to an unsustainable community. Recycling percentage will decrease. Will not receive revenue from commercial franchise agreements (in FY 10-11 this revenue was \$294,658). County would not be a good steward of resources.
Public Works	Waste Management	Engineering/ Compliance	Compliance Monitoring (active facilities): provides permit compliance at the County-operated solid waste management facilities. Closed County Landfills: meets FDEP permit requirements for maintenance of closed landfills, including ground water monitoring. Manages a reverse osmosis system for the closed southwest landfill. Manages the 24 kw solar array and feed in tariff process for the Leveda Brown environmental Park and Transfer Station. Manages capital projects for the Sustainable Solid Waste System transformation. Provides continual analysis and evaluation of solid waste systems and makes recommendations for system improvements. Staffing: Professional Solid Waste Engineer (1), and Professional Geologist (1)	2	State; Local	FSS Ch. 403 FAC 62 Comp. Plan	Mandatory	Meet all FDEP permit sampling and reporting requirements and deadlines, including groundwater, air emissions and landfill gas monitoring at closed landfills, and transfer station, yard waste and waste tire operational permits. Compliance Monitoring (active facilities): provides permit compliance at the County-operated solid waste management facilities. Closed County Landfills: meets FDEP permit requirements for maintenance of closed landfills, including ground water monitoring.	Meets Mandate Level	Meets Board Level	2.50% MSBU 87.50% Solid Waste 2.50% Coll Center Assess 7.50% Waste Mgt Assess	Would be out of compliance with Florida Statutes, State permits, and Comp. Plan, resulting in violations and fines. Will result in health and safety issues (such as groundwater contamination). Other dangers include air pollution and dangerous buildup of gas inside capped landfill.
Public Works	Waste Management	Solid Waste Administration	Provides leadership, direction, oversight and administrative support to the various solid waste programs. Serves as a liaison with New River Solid Waste Authority, City of Gainesville and other county municipalities on solid waste matters. Manages system changes to update current system of collection and disposal to a system of full resource recovery to include a materials recovery facility, an organics recycling facility and a resource recovery park. Staffing: Assistant Public Works Director (1), and Sr Staff Assist (1)	2	N/A	N/A	Discretionary	N/A	Meets Mandate Level	Meets Board Level	25.00% MSBU 35.00% Solid Waste 10.00% Coll Center Assess 25.00% Waste Mgt Assess 5.00% Closure/Post	Each program manager would report directly to department director. Administrative support will be severely reduced. Will be little opportunity for research and planning, or liaison with other governmental agencies.
