Section 72.04, "This chapter shall be applicable in the unincorporated area of the county and within the corporate limits of the cities of Alachua, Archer, Gainesville, Hawthorne, High Springs, LaCrosse, Micanopy, Newberry, and Waldo." Section 72.05, "Animal Resources & Care is designated as the county agency responsible for the proper enforcement of this chapter and is assigned the administrative functions of carrying out the provisions of this chapter and other authorized duties." In accordance with section 72.19 and through agreement with the county health department, Animal Resources & Care also acts as their designee with additional authority granted by chapter 64D-3 FAC for the purposes of rabies control. And finally BoCC Resolution 01-125 mandates a 90% live release rate. COUNTY: While there are no specific mandates, budgeted staffing levels are consistent with industry best practices for per capita animal welfare enforcement activities and capacity for care recommendations. In addition ARC has been in compliance with the board-mandated live release rate of 90% since the 2017 calendar year.	100% General Fund

Community Support Services	Victim Services and Rape Crisis Center	Victim Services and Rape Crisis Center	The Center provides confidential support to victims and survivors of crime through 24 hour crisis intervention services. This includes counseling, accompaniment during a sexual assault medical exam or a legal hearing, information about victims' rights, assistance with the Victim's Compensation Program, referrals for local financial assistance programs, and advocacy services, such as assisting a survivor with securing services to support healing or ensuring their voice is heard as their case progresses. Meeting the needs of a broad range of clients is important, and the Center has bilingual victim advocates available for Spanish speaking victims. In addition to providing services to many different types of crime victims, the Center is a certified rape crisis center, and provides specialized services to sexual violence survivors in Alachua, Bradford and Union Counties. While services are provided in collaboration with area law enforcement agencies and the judicial system, crime victims are not required to report the crime to access services, unless mandatory reporting laws apply. 7.75 FTE's are funded through the Victims of Crime Act (VOCA) grant, 1 FTE has been funded through a Violence Against Women Act (VAWA) grant through the Gainesville Police Department, 2.25 FTE's are funded by grants with the Florida Council Against Sexual Assault (FCASV), and 5 FTE's are funded through Alachua County ad valorem taxes.	16	Discretionary	N/A	N/A	N/A	48% General Fund, 12% State Grants, 35% Federal Grant, and 5% City of Gainesville Contract

Court Services	Investigations and Community Supervision	Centralized Screening Team (CST)	Court Services has a jail population review process that is performed by a Centralized Screening Team (CST). CST screens eligible detainees who remain in custody 96 within hours after their First Appearance Hearing. In collaboration with the Department of the Jail, the judiciary and treatment partners, the Pretrial Release Assessment Specialists develop and propose release plans to manage and supervise low and high risk offenders ordered to participate in community based supervision programs. Referrals for program screenings can be made by defense attorneys and community partners for defendants in a pretrial status who remain in custody and are appropriate for Court Services programs. CST also provides screening results to attorneys to expedite sentencings at bond reduction hearings.	3.00	Discretionary	N/A	N/A	N/A	100% General Fund
Court Services	Investigations and Community Supervision	Case Management	Pretrial Case Management provides the judiciary with a cost effective alternative to incarceration pending case disposition. The defendant's supervision can be customized to address their risk and needs, while addressing concerns the Court may have about an unsupervised release. Defendants supervised in the community pending case disposition have the opportunity to work and take care of their family while freeing up jail bed space for high risk defendants. Pretrial Services works in partnership with community based social service and treatment providers. Pretrial defendants are referred to local community treatment providers for services as ordered by the court. Substance abuse, mental health and other forms of treatment reduce the likelihood of re-arrest and failure to appear for court.	4.00	Discretionary	N/A	N/A	N/A	100% General Fund

Court Services	Investigations and Community Supervision	Day Reporting	Day Reporting is an intensive form of community supervision designed for pretrial defendants and sentenced offenders who pose high risks with accompanying high needs. Consequently, program participants have daily contact with program staff to allow for effective oversight and supervision of their cases in a community based program verses being incarcerated in jail. Individuals are required to participate in treatment, educational, and rehabilitative activities according to structured schedules. In addition to being utilized as a final alternative for individuals failing to comply with previous county probation sentences, the program also serves as an alternative to pretrial incarceration for defendants who would remain in custody but for the structure provided through Day Reporting Program. Staff in this program also supervise Thermal Alcohol Detection (TAD). TAD is for pretrial defendants and sentenced misdemeanor offenders needing the most intensive level of community supervision in all Court Services venues. Fire Rescue	Fire Rescue Operations Section	Emergency Medical Services	<p>The BoCC provides pre-hospital Advance Life Support emergency medical care and transport services twenty four hours a day, seven days a week (page 23 Fire Master Plan), through the deployment of fourteen 24-hour rescue units and 5 Critical Care Peak load units working 13-hour days strategically located in the County. These units were dispatched to 44,441 incidents accounting for 48,384 responses in FY21. "Population alone has the greatest impact on EMS workload, since 100% of all EMS incidents are related to the activity or condition of human population" (Fire/EMS Services Master Plan). We also provide the following revenue generating services: local and long distance medical transfers, EMS coverage at all large scale community events (Ben Hill Griffin Stadium, O'Connell Center, Gator Nationals, etc.), technical and specialized rescue service, and EMS/Rescue training for all personnel.</p> <p>State Statute 401 and FAC 64E requires all EMS providers to operate under the direction purview of a Medical Director. Our Medical Director provides direction to the Department and all participants of the Fire Services Network on all medical procedures, acts as a liaison between physicians and hospitals, represents the Department on local, state and national committees and organizations and directs the Medical Quality Assurance program.</p>	143.00	Mandatory - General	Local	Ordinance 93-9; ACC Chapters 21.56, 52; FSS 401, FAC 64E-2, Alachua County Fire/EMS Services Master Plan.	<p>LAW: When the service is provided, the terms and conditions identified in Statute, Rule and Code are mandatory.</p> <p>The minimum level of staffing per ALS rescue unit is mandated by State Statute (401) and Rule (64-E). COUNTY: The required number of operational ambulances is determined via the Fire/EMS Services Master Plan. The Master Plan contains a formula based on population, incident rates per capita, and average number of incidents per unit. The 2012 Master Plan Services Performance Update recommended the addition of four (4) ALS ambulances.</p>	Fees for Service 97% and General Fund 3% (FY19 Department General Fund Revenues and EMS/Admin Expenditures)
Fire Rescue	Fire Rescue Operations Section	Fire Protection	<p>The Department provides fire suppression and first response advance life support (ALS) EMS services the unincorporated area and the cities of Alachua, Archer, Hawthorne, and Waldo. The units were dispatched to 13,845 incidents accounting for 15,547 unit responses in FY21. The County also contracts with the cities of Gainesville, LaCrosse, Micanopy, Newberry, High Springs, and the Windsor VFD, Cross Creek VFD, and Melrose VFD to provide varying levels of fire suppression and first response EMS services to the unincorporated area of the County.</p> <p>Suburban and Rural fire units are staffed with a minimum of three personnel. An additional SAFER Act grant partially funded the expansion of a 12th Fire Suppression Apparatus that was placed in service in February of 2018. The Department maintains the deployment of water tankers which results in the Insurance Services Office (ISO) approving the Hauled Water Certification. This certification results in reduced cost for homeowners insurance to over 7000 property owners. All rural fire service providers, by agreement are members of the County's "Fire Services Network" and work to comply with the BoCC "Fire Service Delivery Core Principles." The BoCC Principles incorporate the Level of Service Guidelines identified in the Comprehensive Plan and Fire/EMS Services Master Plan. Level of fire services in the rural areas vary by community expectations and call load.</p> <p>The Automatic Aid Agreement (AAA) with the City of Gainesville ensures the closest unit response to critical incident types regardless of the political jurisdiction of the responder.</p> <p>A Diversity Recruitment position was funded for FY17 which will coordinate diversity recruiting events and activities that showcase the fire and rescue profession to prospective candidates in venues from primary education institutions, and professional career fairs.
